Summer time hot and humid here in St. Louis but we will take it beats zero and cold.

I attended the Board meeting on June 19th in St. Louis at the Sheraton Westport which is where the 2011 Ten-Ten International Convention will be held. Check out page 20 of this issue for a small preview of what the city has to offer. It's not too early to make plans to attend, St. Louis is a great city with many things to do.

Also in this issue are bios of the candidates who are running for office. Read them and VOTE. Send in your ballot do it now.

Idle Chatter from the President

If you haven't heard I've moved. My new address which is also listed on page 2 is 1626 Shakespeare Dr, Tallahassee FL 32371-8688. My home phone is 850-877-8134. More about the move later; first let's catch up with what's been happening on 10 and with Ten-Ten.

Reading the messages on the 10-10 List and looking at recent sunspot data, it appears that 10 meters has been coming out of the doldrums. There is starting to be more reliable communications across the US and even some contacts with European stations. Hopefully I will have some antennas up before Fall. And hopefully the band, as Fall approaches, will become more lively.

In the last issue I mentioned that we have a new Data Manager, Joe Faria WISQL # 71965 volunteered to replace me. Joe starts in the position effective July 1st but the transition period will be at least 90 days and may last longer. The 90 days is needed to address the many items in the NEWS and on the web that reference the Omaha address and to order a sufficient supply of new envelopes with the new address. A review will be made in 60 to 75 days and a decision will be made on the course of action to be taken in the future. For now all mail will go through Omaha. Mail is being collected and forwarded to Joe each Friday. The August renewals will be the first mailing to use the new Mail Box. Starting with the October issue of the

NEWS all references in the NEWS and on the web for new and renewal membership will be changed. That is the plan. All other references to Omaha will have been examined and will determine what changes, if any, are required.

The other change effective in July is that of 10-10 supplies. QSL Manager Terry Webb N0TW #36547 is adding to his duties and will be the contact person for requesting copies of the NEWS for Hamfests and Ham related Conventions.

Elsewhere in this NEWS is the ballot for the election of Officers and Directors. It is important that members express their choice to lead 10-10 for the next two years. Remember to vote. Family members are also receiving a copy of the NEWS so they can vote.

Somewhere in my column I would have normally commented about the 10-10 Board meeting that just took place. But I can't because I did not attend. Read on for an explanation.

In the April 10-10 NEWS I mentioned that my wife, Linda, was having eye problems and was on leave until March 29th and she would retire on April 9th. All that went as planned. In the middle of March we made a trip down to Florida looking at homes. The first day we looked at about 15 homes and narrowed it down to 4. On day two we looked at a few more and decided on one to make an offer. After a week of offers and counter offers we reached an impasse and returned to Omaha. After Linda retired we planned another trip down to Florida to continue our search. The day before we left a house appeared on the internet that met most of our criteria, so we made plans to look at it upon our arrival. We liked what we saw and the same day made an offer. The next day while looking at other homes our offer was accepted. The rest of the week seemed to fly by as we met the finance and insurance people to arrange our purchase. During

the week we began to wonder if we reacted too fast as our home in Omaha was on the market but not quite ready for sale. A day later we heard from our realtor that our Omaha home had two offers, of which we accepted one. All this is four days.

The shock of the sale and purchase had not quite worn off when we realized that we had just over three weeks to pack and move and be in Florida by Memorial Day weekend. Our first thoughts on moving had been to move ourselves over the course of two months. That was quickly forgotten and we contacted movers and started packing. We had 19 days left but of that 5 days we were to be in Dayton at Hamvention. Living in a house for close to twenty years, we had accumulated lots and lots of 'stuff'. We started making daily trips to Goodwill and the dump. On Monday April 21st the movers arrived and when they left so did we, Linda driving one car with our dog and me in the truck. Oh, I didn't tell you that we found time for me to trade my SUV for a truck!

We arrived in Florida on Thursday, closed escrow and took possession of our new home. The first set back: the movers were supposed to arrive on Friday or Saturday. But because of the holiday weekend they decided to wait until Tuesday. The second set back: when the movers arrived they couldn't back the truck down the driveway without fear of breaking it. So while they did move the furniture into the proper rooms the majority of the 300+ boxes were left in the garage. The third, fourth and fifth set backs were that the telephone didn't work after it was installed and it took five days to get a repair person over to discover that circuit had blown after a near lighting strike. The cable installation worked fine for the television but not for the internet and again it took almost three weeks to get a technician out to find that the wrong cable was used for the internet. And a large section of a tree fell in our back yard, knocking down almost 30 feet of our fencing. The final set back occurred not in Florida but

in Plano, Texas. Terry Webb and I were supposed to attend HamCom the middle of June. All went well and we had the booth all set up the night before. The next morning I awoke to a very bad lower back pain. I had apparently strained it moving the boxes from the garage into the house and the hotel bed or the way I slept the previous night was the final straw. The pain was so great that I passed out, the hotel called 911 and I spent the weekend in the hospital. The results for me, no HamCom, the doctor advised me to take it easy for a few weeks and not to attending the Board meeting. A big thank you goes to Terry and Mike Davidson N5MT #24949, for filling in for me at the booth at HamCom.

As I finish this column I must admit that things have settled down. We have started the first phase of remodeling the house, wood floors in the living, dining and family room. A storage shed to hold the lawn tractor and other yard implements has been ordered and I am waiting to hear that my new tower is ready to be picked up. Meanwhile I have put up a Carolina Windom up. Now I just need to bring the coax inside.

Until next time 73's
Gerry

Chapter Coordinator

Cliff Taylor, K5FBS, #48461

General Comments:

As we all know, conditions on 10 meters have been improving, but they are far from being "at a maximum". I have been able to check into some chapter nets and others have noted being able to do the same. Remember to support your local chapter. It has been said that the chapters are "the backbone of the 10-10 organization".

As always, if your chapter is planning a special or worksheet to begin sometime during the period October 2010 to January 2011, please let me know so that I can give advance notice here in this column.

Don't forget that now, if you want to know when your last quarterly report was sent in, just go to the "10-10 Chapters" section of the 10-10 website, and you will find the date under your chapter name.

Rather than repeat the instructions on how to find the on-line quarterly report, if you need help, just drop me an email and I'll get right back to you.

In the same vein, if you are having problems with anything pertaining to CHAPTERS, just send me an email. If you are reading through any of the chapter-related guidelines/directives in any of the 10-10 documents and see something that you think is incorrect or questionable, please let one of the Chapter Relations Committee members know.

The Chapter Relations Committee and I have updated the "Chapter Guidelines" section of the 10-10 website and the BOD has approved the update. The changes are as follows:

- 1) Entire Document: Change all references to "Chapter Committee" to read "Chapter Relations Committee"
- 2) Entire Document: Change all references to "Chapter Manager" to read "Chapter Coordinator"
- 3) Section B.1.: Delete the word "local" after both instances of the word "more"
- 4) Section C: Delete this section in its entirety as it is no longer valid
- 5) Change Section Heading "D. Chapter Privileges" to read "C. Chapter Privileges"
- 6) Change Section Heading "E" to "D"
- 7) Change first Section Heading "F" to "E"
- 8) Add following to Section "D. Chapter Reporting": These reports may be made via the U.S. Postal

Service or via email. For access to the reporting forms, on the 10-10 website go to "Resources" and click on it. From the pop-up menu choose "Forms". (The forms are in the fourth row.)

FYI, the members of the Chapter Relations Committee are: KB7ARN, K2BIL, N5DAS, KD4BVG, K6RDK, and K4QHH.

Quarterly Reports Due – (June) Colorado Quartermaster
Quarterly Reports Past Due (Date of last Report is shown) – (March '08) Pine State; **(September '08)** City of Melbourne; **(January '09)** Cincinnati Ten Tuners; **(March '09)** Battle Road; Boomtown; Great Britain on Ten; **(May '09)** Cowtown

If anyone is in close proximity of the Chapter Head and/or Certificate Manager of any one of these chapters, please remind them that they need to send in a quarterly report.

Chapter News

Alii: The CH's new email address is kh6g@arri.net.

Bay Area: The CM's new email address is k6rdk@arri.net.

Chesapeake Bay: The CH's email address is now n3tf@arri.net

City of Lights: The chapter's website can be found at www.colpage.org

City of Roses/Portland Bridges: These chapters no longer have a website.

Colorado Centennial/Colorado Frontier Gang/Centurion/Golden Aspen: The CH/CM's new email address is wb0con44@yahoo.com

Cypress: The CH has a new email address of pkmaint@yahoo.com

Elmer J. Fudd Net: This chapter is no longer active as of 7 March 2010.

GBTen: Dave is temporarily taking time out from radio (and other activities) so everything to do with GBTen is on hold for now. Upgrades will be dealt with eventually but Dave has not even had his computer switched on for several months. I have been in touch with him by telephone and 'normal service' will be resumed as soon as possible. Mike, G4BLH

Lilac City: The CM's new email address is ac7hi@arri.net.

Major League Baseball: The chapter no longer has a website.

Margarita and Martini 10-10 Chapter: The chapter now has a new BAR award starting at 200 M&M contacts. We were going to go from the 85 contacts to the 100 bar but had to many issues with that. It will start at 200 and go up from there to 1000 and so on. Please make note of this for the next newsletter. There are 175 members so this puts it on a level playing field when we get 200 members. Andy KD4UKW the cert manager is fully aware of this and this award should complete all awards for the chapter for some time. Bobby, K4JPC (CH)

New Waterkant: The chapter has three new seals. HR35:

(only in 2010) - join the 10-10 net during the 35th anniversary of the HAM RADIO, the biggest European radio meeting. DNAT: Join the 10-10 net during the yearly German-Dutch Amateur Radio meeting – only once. The VLCS (Very Last Chapter Seal) is the very last seal that the New Waterkant Chapter will issue. It will be given out at chapter meetings and will only be given out to holders of the KROPP and GLOCK seals.

Oklahoma Route 66: The chapter's website is at <http://www.k5eok.org>

Restoration Project: The chapter's email address is now cocjurassic@uniserve.com.

Santa Fe Trail: The CM's new email address is ka9pcu@centurylink.net

Sky Blue Waters/Tin Lizzie: The CH is now K0DBK. His address is 3055 66th Street East, Inver Grove Heights. MN 55076 and his email address is k0dbk@comcast.net. The CM's new address is 9 Serenity St., Mayhill, NM 88339 and the new email address is sbwt11010@gmail.com.

Tango: The CH's new email address is horacio@lu1bjw.net

Chapters that Accept Upgrades Via Email (As of 8 June 2010)

All of the listed chapters generally need previous, new, and total points and seals claimed. Any transaction with the CM that requires that a certificate be issued, and most worksheet specials, should still be handled via US Mail. Also to be on the safe side, a detailed listing of the upgrade should be kept in the event that the CM should require verification. Requirements peculiar to a particular chapter are noted below.

DX NEWS

Mike Davidson, N5MT, #24949

The winter DX Season for the USA will start about October 2010. I do not expect the MUF to be high enough for us to have a daily opening into Europe and Asia, but conditions are getting better. We have yet to see the solar flux get above 90, but I hope by the beginning of 2011 we will get a weekly average flux of 90+ and maybe by spring 2011 we will begin to hear our friends in Europe. The 10-10 net on 28380 this week had a record number of check-ins of 52 stations, as I was one of the relay stations on June 2nd and worked nine new members with skip to Florida, California and Michigan for us in Texas.

ZS8M Marion Island. Pierre ZS1HF is the new radio operator on Marion Island. Pierre arrived in April for a one year tour of duty. The old Marion Island call sign was ZS8MI but Pierre will use ZS8M which does not have a 10-10 number as yet. The old club station was formed back in 1993 when a 10-10 membership was gotten for the then active ZS8MI call sign. Marion Island is the number three most wanted country for DXCC now!

YI9PSE Iraq. The big DXPedition to Iraq was April 2-12th. The 10-10 operators were Dave **AH6HY** #33750, David **K3LP** #13394 and Paul **N6PSE** #68859, of the thirteen expected to make the trip. They had a five station setup and a lot of antennas. Web site: www.yi9pse.com

PJ6 Netherlands Antilles. Bob **K4UEE** #75256, Gregg **W6IZT** and George **N4GRN** #73941, were on the Island of Saba, from March 12-15th but they did not make any contacts on ten meters unfortunately. The purpose of this trip was to make plans and begin building a station for the anticipated political realignment in the Netherlands Antilles later this year. DXers are expecting that the Antilles will break-up into several new entities/countries when all the new independence issues are worked out. So look for a new one later in the year, but for now work them if you hear them as changes are coming.

Countries Award: Correction: I issued basic certificate #623 to Dan **KZ3T** #41015. There were no upgrades for new countries. Please send a copy of the QSL cards instead of the originals to save postage.

Propagation: Propagation continues to improve as the new Cycle 24 sun spots are starting to grow! We have seen a few weeks of sun spots in April as things improve. Expect the daily solar flux to range from 79-95 the next quarter as solar Cycle 24 is made official by NOAA.

On June 9th the solar flux was 72. The A index 5 and K index 1. No storms expected. Expect the best conditions on June 1-3rd & 27-30th, July 25-28th, August 22-26st and Sept. 19-21st. Over the next four months, for USA stations, expect a 10% chance of DX in the mornings to Asia, Europe or Africa and a 35% chance into South America or the Pacific in the PM. To tell what DX paths are open, listen for the beacons from **28.175-28.300 (especially 28.200)**.

New DX members' March to May 2010:

March: 75705 **VE2HAR**, 75706 **DH8OAK**; April: 75708 **DB2LU**; May: none.

NET NEWS

Bob Farrow, N6OPR, #45715

Hello 10-10 members where ever you are. Well the new year started kind of slow for 10 meters. However there were a few nice openings during the first quarter of 2010.

We have an opening for a relief net control operator in the East. KC8IM Dan in the MI area who was our alternate control operator has picked up the daily net on Wednesday on 28.380, he is replacing Chris N7PVL.

The net alternate must have privileges to work both 28.800 and 28.380. The general duties will be to pick up a net when a regular net control operator needs a day off.

The other alternate in the East is Steve KB3KTR in the PA area.

If any one is interested in calling a PSK31 net please contact me.

10-10 Has Two Official Daily Nets

28.380 and 28.800

Both Run At 1800z Every Day
Except Sunday

THE CANDIDATES

For President:

Mel Sojka, KD5DE, #33513

353 Atlantic Ave.

Shreveport, Louisiana 71105-2909

I have been married for 44 years, we have 4 children, 10 grand children and one great grand child. After my second year at Northwestern I enlisted in the U. S. Military and retired after 33 years of combined active and reserve duty.

I always worked in the service industry and in 1988 became involved with the computer industry. Worked as a technician for several companies until 1998. In 1998 I acquired NWLA Communications an internet service provider. In December 2008 I moved all the web data to a remote hosting service.

We must continue to maintain an Amateur membership that has the ability to grab a radio, some wire, a battery, and on a moments notice up a station to respond to an emergency. No telco circuit, cell phone, or computer can provide this service, If Amateur Radio ever becomes a social network then we will loose not only 10 meters but all of it.

Great strides have been made in the past few years to put Ten-Ten in the mainstream of the Amateur community, a prime example is the Open Season digital event. If elected I will make this a priority.

Todd Burnette, KC4TVZ, #60783

6415 Ivy Springs Drive

Flowery Branch, Georgia 30542-5050

This is Todd Burnette, KC4TVZ, #60783, VO# 3297, volunteering to be President of Ten-Ten International. I have been an amateur radio operator since 1990, then joined 10-10 in 1991, 10-10 WAS in 1994, and got signed up for Springbok Chapter #7781Q. I was not very active for 9 years, but always enjoyed getting on 10 meters for some DX. In 2003, I got back on the air more often and have been active in Ten-Ten since 2004. With a few 10 meter openings, I became a Paper Chaser and have built my list to include 26 Chapters. I normally participate in QSO Parties trying to make those rare DX Ten-Ten contacts. Finally, I am a regular member who has been around 10 meters on and off for quite a while, so now is a good time for me to become more involved and volunteer some of my ideas. What I would like to do as President is assign and work with a Director to bring a Ten-Ten International Convention to Georgia. My other goal is to support the Ten-Ten Tradition. It is less than a couple years away from Ten-Ten Internationals 50th Anniversary and I have some great ideas of how that special year should be celebrated. So I would really like the opportunity to serve as the President of Ten-Ten during this very special time. Thank you for any consideration you give to voting for a regular member to take the reigns.

For Vice-President

Larry Berger, WA2SUH #407

9 Nancy Boulevard

Merrick, New York 11566

I have been involved with 10-10 for over 40 years and have been one of its biggest supporters. Over the years I have served in the following positions: Second District Manager (1979-1997), Director (1998-2007) and Vice-President (current). I have been Scholarship Manager since 2001 and have worked hard to ensure that our four \$1500.00 scholarship are funded entirely through member donations. Once again we have reached our goal for the past year.

As Cycle 24 rises, in addition to checking into chapter nets, we should all try some of the following to ensure the continued health of 10-10: encourage our friends to get on the band; call and answer CQs, and in QSOs tactfully let people know about the opportunities that 10-10 affords and plug our website; volunteer to speak about 10-10 at radio club meetings; set up a 10-10 table at hamfests; set a good example as an operator and encourage others to stay involved in the hobby and try to get more of their friends licensed. As technology changes at rapid speed the Board needs to continue to explore how 10-10 can adapt, seeking the input from the membership.

I look forward to continue to serve 10-10 as Vice-President, working with our excellent Board of Directors.

For Secretary

Sandy Glenn, W7SSG, #74633
P O Box 451
Trout Lake, WA 98650

I have been Secretary for the 10-10 International for the past year and a half, Gerry and the board at that time asked me to step in and fill the position as the current secretary had resigned. I did except the position and since that time I have represented 10-10 International as secretary and also at local hamfests.

My exposure to 10-10 is through my Husband and Daughter, and we as a family are involved in ham radio not only with 10-10 but with local activities. We do communication support for various bike rides and horse endurance rides in our area, which involves many hours in the field keeping track of horse riders or bike riders for their safety.

I have learned a lot about ham radio and emergency communications since becoming a ham radio operator.

If I am reelected to this position, I would like to see more exposure of 10-10 in local chapters and at various ham radio activities and swap meets, etc. I feel if we gave more exposure then we could experience a growth within the membership and also within Ham Radio itself.

For Directors:

Clifford A. Taylor, K5FBS, #48461
22707 Red Mountain Drive
Elmendorf, Texas 78112-6034

I am Cliff Taylor, an incumbent director running for reelection. My current duties as a Director is that of the Chapter Coordinator and I have served in that position for 2 terms.

I have been a member of the 10-10 organization since 1998 and am an active member of over 70 chapters and sub-chapters, and am the Certificate Manager for the Space Coast Chapter. In the past, I served as WAS Manager and then 1000+ Award Manager.

During my tenures in office, I have, with help of the Chapter Relations Committee, insured that the By-Laws and Operations Manual are up to date; expeditiously handled request for chapter affiliation, or re-affiliation; took appropriate action for those chapters in arrears on quarterly reporting; updated the "Chapter Net Guide" and the "10-10 Chapters" and "Chapter Links" sections of the 10-10 website, and forward the updates to the 10-10 website director and "10-10 International News" editor. Additionally, I assist K5CC in administering the "Special Event", make QSL cards for that event and the conventions, and recommend changes to the CHAPNAME/SEALNAME listing to the WIN1010 Program Manager.

I have always tried to act in concert with the wishes of the members.

Kenneth Harmon, K1EQ, #31363
471 Old Turnpike Road
Mason, NH 03048

I am seeking a position as a director of 10-10. I have been, for the last 4 years, in the position of Planning Director, with the responsibility of overseeing the activities to find a chapter to sponsor a convention and assist them i anyway we can. On the committee we have people who have already headed up running a convention so we have, when necessary, qualified people to answer about any questions that may arise.

I have had a license since 1958, and been a member of Ten-Ten for over 25 years. I am the Chapter head and certificate manager of the Battle Road Chapter that was started in 1990 and has over 1400 members. I also ran the Ten-Ten Convention in 2001. I have been to 10 of the 12 conventions Ten-Ten has held. I am currently on the executive board answering to the President and was a member of the nominating committee in 2002.

I feel that my experience in Ten-Ten will be an asset to the Board of Directors and the general membership. I would also be willing to help in any other capacity that was requested of me.

Chandra Burnette, KD4BVG, #64773
6415 Ivy Springs Drive
Flowery Branch, Georgia 30542-5050

My name is Chandra Burnette, KD4BVD Ten-Ten #64773 and VP #3313. I am seeking to be elected Director for Ten-Ten International. I have been a licensed Amateur Radio Operator since 1991. I joined Ten-Ten International in 1993 and have been active since 2005. I am a paper chaser with 15 chapters on my list so far. I enjoy PSK31 and SSB DX during QSO Parties. It is an honor to be serving on the Chapter Relations Committee for over 1 year. It has been suggested that I volunteer for director in 2010. I agree with that idea because if elected, I would focus on bringing a Ten-Ten International Convention to Georgia and/or continue my duties on the Chapter Relation Committee.

Jay Drew, KC4JD, #57475
10980 Pennbrooke Crossing
Duluth Georgia 30097

Several years ago, I along with K4JPC (Bobby) and others, decided to create a local 10-10 Chapter, and the Margarita & Martini Chapter was born. We have over 160 active members, and meet regularly on 28.330 every Saturday evening. I serve as alternate net control

Our local M&M Chapter has been active at Hamfests. We have radios set up to conduct 10-10 memberships drives. I took an older 10-10 slide show and revamped it with new information and spruced up its appearance. A copy was e-mailed to our current President, Gerry

I believe that active participation in our local Chapter and at local ham events is key to the success of 10-10. I also feel that my "on the air" operating habits and methods are beyond reproach according to others. I also enjoy serving as a mentor to newer hams as that is not only a key factor in the continued success of 10-10, but of the hobby itself.

I am very organized, and a good public speaker as I am called upon regularly to do so in my profession. I believe these skills and my long standing knowledge of the radio hobby would serve 10-10 well.

Marcus Lieberman, KM5EH, #71103
2300 Hurley Drive NW
Albuquerque, NM 87120

I was first licensed in 1996 and joined 10-10 soon after that. I grew up in Chicago and during the 1950 built some radios, learned CW, but never met a ham or I would have joined QCWA by now. After I moved to Albuquerque in 1995, two friends disclosed they were ham radio operators and urged me to get my license since I had a science background and loved to talk. My work over 40 years involved teaching and applying statistics, both in research and educational evaluation, so putting numbers in boxes was second nature to me and paper chasing was a natural activity. In Albuquerque, I worked out of my home, so my office was also my shack and the radio was on most of the day. It helped me to be very active in 10-10 clubs, so much so I started a local 10-10 club, the New Mexico Mud Ducks, NM5MD, (72385) and the club now has over 400 members all over the world. I also wanted to give something back to this organization that has given me so much pleasure, so when the OM/XYL manager position opened up, I grabbed for it and was given the title.

I always talk up 10-10 at local ham gatherings and have had a forum presentation several times at our state ham convention. I will continue to promote use of ten meter band including others modes than voice, e. g., PSK and CW. I try to set a good example as an operator and encourage others to do the same.

If I am elected to the Board as a Director, I would like to voice concerns of the members about changes in policy or operating they feel strongly about. Because of my data analysis background, I may be able to contribute ideas about the 10-10 databases. Again, it would be my wish to give back even more to the organization that has given me so many terrific experiences.

10-10 SCHOLARSHIP FOUNDATION SUPPORTERS

We encourage all of our members to support the 10-10 International Net Scholarship Foundation. Our goal for the 2009-2011 year is to fund four \$1500.00 scholarships entirely through member donations outside the dues structure. The Foundation was created in 2001 and is a qualified 501(c)(3) tax exempt organization and contributions are tax deductible. If you have an employer matching program, please let us know. Why not consider a donation as a Chapter or an individual in memory of a fellow ham or loved one?

If you haven't donated before, we want you to know that **all** donations, no matter how small, are appreciated and they do add up. At the time you make a donation to your favorite charity, why not write a check to the 10-10 Scholarship Foundation? If you make a donation of \$10.00 or more you will receive a special 10-10 pin for 2010. For a \$15.00 donation, you can also have your choice of the 2007, 2008 or 2009 pin, while supplies last. Please indicate your preference when you donate.

The members listed below became 10-10 Scholarship Foundation Supporters during the months of March, April and May, and we appreciate their support.

10-10 Scholarship Applicant Information

Each year the 10-10 International Net, through our non-profit corporation, the 10-10 Scholarship Foundation, funds four \$1,500.00 scholarships, which are administered on our behalf by the Foundation for Amateur Radio.

Dave Prestle, W8AJR, Chairman of FAR's Scholarship Committee, announced the four most recent winners of the 10-10 Scholarships in the October 2009 10-10 News. Over the past 22 years, 10-10 has funded 79 scholarships valued at \$79,000.00.

Applicants must be licensed radio amateurs. There is no restriction on the course of study, but applicants must intend to seek at least an Associate Degree from a college or university. Non U.S. Amateurs and those seeking graduate degrees are also eligible. Foreign members please note that students who study outside the United States are also eligible to receive a 10-10 Scholarship.

It is suggested that every 10-10 member encourage qualified college-bound radio operators to take advantage of this opportunity. Request an application from:

Foundation for Amateur Radio
P.O. Box 831
Riverdale, MD 20738

Applications can also be downloaded from FAR's website:
<http://www.amateurradio-far.org/>

Applicants, except those who are active 10-10 members, must provide a recommendation from a 10-10 member. Completed applications must be received by FAR prior to March 31st of each year.

TEN-TEN AWARDS

To apply for any 10-10 Award, paid-up membership is mandatory. You are not required to send in proof as the Awards Manager has the current membership database. All contacts made for any award must be legal 10-10 contacts (a full exchange of Call, Name, QTH and 10-10 number from BOTH members). An application listing the rules for each award is available from the appropriate Awards Manager listed at the end of the award listings. Please send your request with a #10 (business size) envelope, self addressed and stamped with one unit of first class postage (or enclose one IRC for GB Award), to the Award Manager for the Award you are interested in obtaining. Please no phone calls to Award Managers for an application or list of rules. Contact requirements and rules for all Awards are available on the 10-10 website - www.ten-ten.org

Paperchasers working W6OI can request the list from K5CC. W6OI has FISTS, SKCC and GERATOL numbers. Contact Brad, K0DBK to arrange a schedule to obtain the FISTS and SKCC numbers. Contact K5CC to obtain the GERATOL number.

W6OI AND VE9TEN SPECIAL EVENT

The 7th annual W6OI and VE9TEN (official 10-10 club stations) Special Event will be held starting at 0001Z on 27 November and ending at 2400Z on 28 November 2010.

The Special Event has designated 10-10 members in all US call areas and Canada operating W6OI and VE9TEN. The purpose of the Special Event is to have fun, keep ten meters active, and to advertise 10-10.

Special Event QSO cards are available for each call area worked and a free certificate will be given to operators that work all US call areas. Stations working VE9TEN can count it as a wild card US call area if needed to qualify for the certificate.

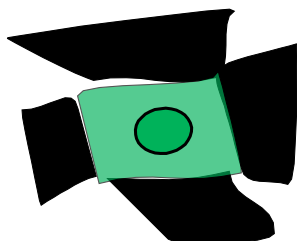

Members desiring to operate W6OI in the Special Event should contact Cliff, K5FBS (k5fbs@yahoo.com) for call areas 1 thru 5 and Ray, N5DAS (rdobson@satx.rr.com) for call areas 6 thru 0. Members in Canada should contact Rob, VE9KM (rireland@mta.ca) for permission to operate VE9TEN.

10-10 Has Two Official Daily Nets
28.380 and 28.800

10-10-10 SPRINT

On 10 October of every year, Ten-Ten holds a QSO Party to bring together the date (10-10) and the name by which the organization is generally known (10-10). This year is special in that it will be 10-10-10 which will not occur again for 100 years. To recognize this once in a lifetime occasion Ten-Ten will issue special certificates for members working any of the five categories listed below. A certificate will be given for each category.

1. Work one member with 1010 in their number (i.e. 71010).
2. Work ten members with 10 in their number (i.e. 109).
3. Work members in all 10 US call areas. A DX member can be substituted for one US call area if necessary.
4. Work 10 Volunteers from the 70 or so listed on the 10-10 Website and in The Ten-Ten News.
5. Work members from 10 different DX entities using the ARRL countries list.

Working for the certificates is a separate action from the regular Sprint held on 10 October thus scoring for the Sprint will not be affected by working towards the certificates. As usual, Sprint logs will be sent to Dan, KZ3T. Additionally, those qualifying for one or more certificates should send separate logs to Dan.

All members are encouraged to get on the air on 10 October which will be on a Sunday. For those of you having a 10 or 1010 in your number please make a special effort to be on the air. Questions about this event should contact K5CC at k5cc@gvtc.com.

TEN-TEN QSO PARTY RULES

6.2 10-10 QSO PARTIES

10-10 QSO Parties are events that are held for fun and to meet old, new and prospective members around the world. The rules listed here are for all general QSO parties. The Anniversary, Meet the Volunteers, and Mobile QSO Parties are specialty events and do have additional rules.

6.2.1 WHO IS ELIGIBLE?

QSO Parties are open to all amateurs with operating privileges on the 10 meter band, however, logs will be accepted only from active members as of the date of the event with the following exception: Open Season event logs will be accepted from all amateurs. Other logs received will be handled as checklogs. Checklogs are used to validate (check) other logs but do not receive awards.

6.2.2 WHEN ARE THE QSO PARTIES?

There are currently eight QSO Parties held throughout the calendar year:

Winter Phone - held on the first full weekend in February
0001 UTC Saturday through 2359 UTC Sunday.
Spring CW - held on the last full weekend in April.
0001 UTC Saturday through 2359 UTC Sunday.
Spring Digital - held on the first full weekend in May.
0001 UTC Saturday through 2359 UTC Sunday.
Open Season (PSK)-held on the first full weekend in June
0001 UTC Saturday through 2359 UTC Sunday.
Summer Phone - held on the first full weekend in August.
0001 UTC Saturday through 2359 UTC Sunday.
Sprint - a 24 hour event held on October 10th (10-10).
0001 UTC through 2359 UTC.
Fall CW - held on the 3rd full weekend in October.
0001 UTC Saturday through 2359 UTC Sunday.
Fall Digital - held on the last full weekend in October.
0001 UTC Saturday through 2359 UTC Sunday.

6.2.3 FREQUENCY AND MODES

Direct unassisted contacts only are permitted. Repeater, Satellite, IRPL or any other similar types of assisted contacts are NOT allowed. Based on the appropriate band plan for the country of operator, CW QSO Parties should be operated in the CW area of the 10 meter band and operated using CW only. Digital QSO Parties should be operated in the digital area of the 10 meter band and operated using Digital modes only (RTTY, PSK, etc). Phone QSO Parties must be operated in the PHONE area of the 10 meter band and may be operated using any approved method (SSB, FM, AM). The SPRINT utilizes all operating modes in the 10 meter band.

NOTE: A QUIET ZONE between 28.490 and 28.510 shall be in effect during QSO Parties using the Phone portion of the 10 meter band to allow for others to use the band.

6.2.4 ENTRY CLASSIFICATION

Entrant may submit a log in ANY of the following classifications:

INDIVIDUAL: Includes single station operators and can also include OM/XYL teams or any families or groups of people using individual call signs and 10-10 numbers.

QRP: same as an individual as listed above except that output power does not exceed 5 watts with CW/Digital operations and/or 10 watts with Phone operations during the entire event.

CLUB: A Club must have a valid club station license issued by their National Licensing Authority and must have active 10-10 membership. Club entries must list the call, name, and 10-10 number (if any) for all operators using the club call. Club operations will take place at one location using one set of equipment.

6.2.5 TRANSMITTER INFORMATION

An operator may operate mobile, portable or fixed. If they change their exchange QTH during the QSO Party, the operator must show same in their log. The operator may enter a log from one call district, province, or DX country. Multi-transmitters (two or more transmitters operating simultaneously, sharing one call sign) are NOT permitted in any QSO Party. If a single transmitter becomes inoperable, it is permissible to change to a replacement transmitter.

6.2.6 EXCHANGE

10-10 members send call sign, name, 10-10 # and QTH (State, Province or Country). If received exchange does not have a 10-10#, then record a zero(0) in the log.

6.2.7 QSO POINTS

Two (2) points are awarded for contacts WITH a 10-10 number. One (1) point is awarded for contacts WITHOUT a 10-10 number. Duplicate entries should be retained in log and show a zero (0) for points. Any log showing 10% or more errors may be handled as a checklog. A station may be counted only once regardless of mode.

6.2.8 CHAPTER SCORE ASSIGNMENT

Any entrant who is a chapter member and whose operating location is within 150 miles of the primary net location of that chapter, may assign the entrant's score to that chapter. QSO Party scores for the Sprint may not be assigned.

6.2.9 QSO PARTY ENTRIES

Logs shall be forwarded to the QSO Party Manager as identified in the 10-10 NEWS or on the 10-10 web site. It is strongly suggested that logs be sent as soon as possible after the close of the event. It is also recommended that DX logs should be sent AIR Mail to insure they are received in good time. Any logs received with a postmark date AFTER the deadline date will be handled as a checklog. Any logs received more than 15 days after the entry deadline, regardless of postmark, will be discarded.

6.2.9.1 ENTRY DESCRIPTION

Entries must contain a Cover Sheet, Log and Dupe Sheet as described here: COVER SHEET will list the Event Entered, Entry Classification, US Call Area (W0-W9 or DX Country), Chapter Score Assignment (if any), number of contacts and points with 10-10#, number of contacts and points without 10-10#, and total contacts and points claimed. LOGS must be listed in date/time order and list UTC Date, UTC Time, Call, Name, 10-10# (zero (0) if none), QTH and Contact Point Value.

A DUPE SHEET is required for any logs exceeding 50 contacts. It may be either a list of all calls contacted in call sign order or hand entered on a dupe sheet grid.

6.2.9.3 ENTRY DEADLINES

Entries for all QSO Parties listed EXCEPT the Sprint shall be postmarked no later than 15 calendar days (this will always be a Monday) after the close of the event. Mailed entries for the Sprint (held on 10/10) shall be postmarked no later than October 25th, unless that day falls on a Sunday, than the postmark deadline shall be October 26th.

6.2.10 QSO PARTY RESULTS AND AWARDS

QSO Party results will be posted on the 10-10 web site about 15 days after the closing deadline for the event and also printed in the 10-10 NEWS in the appropriate issue.

Awards will be issued by the certificate manager for Top Ten Individual scorers in the World, the top Individual scorer in each US Call Area (W0-W9), each DX Country, and for top QRP, CLUB and CHAPTER.

6.2.11 ANNIVERSARY QSO PARTY and MEET THE VOLUNTEERS

These events run from January 1 0001 UTC to December 31 2359 UTC.

In the Anniversary QSO Party, entrants may submit a log of contacts with members that have 10-10# anniversary year contained in their membership number.

Example: 2010 is the 48th anniversary year of 10-10 International Net, Inc. Contact with members containing a "48" in their membership number (i.e., 72048, 69485, 64854, 48126, 00487) would count toward the event. Each year the anniversary number changes, making a new group of members the focus of the event and promoting the use of the 10-meter band. All general rules are applicable with the following exceptions:

During the calendar year (January 1 through December 31) make legal 10-10 contacts with 10-10 Number, Date, Call Sign, QTH with members containing the anniversary year in their membership number as described above.

In the MEET THE VOLUNTEERS event, entrants may submit a log of contacts with members listed in the 10-10 NEWS as being a 10-10 volunteer. One contact per volunteer is permitted, regardless of mode of contact.

In both events, contacts must be made on the 10-meter band with any legal mode (AM, SSB, FM, PSK, CW, etc.).

All submitted logs must contain only one entry for each 10-10 number contacted. Contacts MUST be listed in 10-10 number order and each entry must list the 10-10 Number, Date, Call Sign, Name, QTH and Mode, in that order.

These events are for Individual entries as described in section 6.2.4 and certificates will be awarded for the TOP Ten, however all entrants will be listed in the 10-10 NEWS. Logs MUST be postmarked no later than January 15th of the year following both the Anniversary and Meet the Volunteers QSO Parties. Only members in good standing (with dues paid) are allowed to submit logs.

6.2.12 MOBILE QSO PARTY

This event is held on the third Saturday in March from 0001 to 2359 UTC. All general rules are applicable with the following exceptions:

This is a mobile QSO Party, therefore only mobile stations will submit logs, however, fixed stations are encouraged to participate to help give out points and collect counties. Mobile applies to car, truck, RV, motorcycle, boat, airplane or other mode of transportation. If in doubt, contact the QSO Party Manager. A station operating a mobile entry must be a true mobile. Sitting in the driveway and using the base station antenna or amplifier, or using commercial power is not permitted. RV generators are permitted only if the generator is used while in transit (moving).

Operation while your vehicle is parked across a county line, occupying two counties, counts as two counties and two contacts. Marine and aeronautical mobiles must be establish counties of operation. Safety is paramount while operating mobile. If you are unable to park near multiple county lines due to safety issues (i.e. on a bridge, on a freeway, etc.), please move to the closest area which would provide the best operating conditions and still be able to give out multiple counties.

The on-the-air exchange shall be Call, Name, QTH, 10-10 Number (if member, zero (0) if not), and county.

Scoring will be the same as other 10-10 QSO Parties. 2 points awarded for contacts with a 10-10# and 1 point awarded for contacts without a 10-10#. Duplicate entries are allowed when working in multiple counties. (i.e. if K4HAV is a 3 county line and he works K4JPC, That would count as 3 contacts, one for each County).

Logs must be in date/time order and list Date, UTC time, County worked from (If applicable), Call, Name, 10-10# (zero 0 if none), County Worked, QTH and Contact Point Value. Fixed stations may submit logs as check logs only.

Logs MUST be postmarked no later than 14 days after the end of the event. Only members in good standing (with dues paid) are eligible for awards.

6.2.13 FOR MORE INFORMATION

Current information about 10-10 and upcoming 10-10 QSO Parties is always available on the 10-10 web site. Cover sheets, logging forms and dupe sheets are also available for downloading or printing. The address is <http://www.ten-ten.org>. Any unanswered questions regarding the QSO Party rules may be forwarded to the QSO Party Manager.

MEMBERSHIP INFORMATION AND SERVICES

WOULD YOU LIKE TO JOIN 10-10?

Here is what you need:

1. You must hold a valid amateur operator license.
2. Your valid amateur operator license MUST authorize or qualify you for unsupervised transmitting operations in the ten meter amateur band under your own personal call sign.
3. You must make contact with ten members of 10-10 on ten meters and submit a log listing all contacts, their 10-10 number, call sign, name, date of contact, and QTH (state/province/country). A new member application and contact log is available in Section 1 below.
4. You must remit dues for one or more years full membership. Fee schedule and payment information can be found in Section 2 below.

TYPES OF MEMBERSHIPS

Primary Membership

Primary membership is available with yearly dues, although there is a special incentive available when you pay for three years at once.

Family Membership

Family membership consists of a primary member and one or more family members who qualify as a 10-10 member (has made the necessary 10 contacts) and who reside at the same location and postal address. Family memberships run concurrently with that of the primary member. Add \$5.00 for each additional family member for each year. Only the primary member will receive a copy of the 10-10 News.

Life Membership

Life membership is available and may be paid in one lump sum or spread across two or three years. For information refer to the "Life Membership Application" form on the web or contact the 10-10 Data Manager.

Senior Life Membership

Senior life membership is available to anyone who is currently 65 years of age or older. Payment can be made as one lump sum or within a one year period. For information refer to the "Life Membership Application" form on the web or contact the 10-10 Data Manager.

Family Life Membership is no longer available

Club Membership

Club Membership is available to any Amateur Radio Organization which holds a valid Amateur Radio License. Application must be made by the club trustee. No Family or Life Memberships are available. Membership is available with or without the 10-10 NEWS.

MEMBERSHIP RENEWALS

Fill out fee schedule and method of payment in Section 2 below and forward as indicated to Data Manager. Please make sure you include a copy of your address label with form. If you do not have a copy of your address label (renewing after your membership has lapsed), please include a note with your name, current mailing address, call sign and 10-10 number.

DATA MANAGER SERVICES

Call/Name/Address Changes

All changes are to be sent to the 10-10 Data Manager. Please include your address label (or a copy) with necessary corrections.

10-10 Information Brochure

The 10-10 Information Brochure is 10 pages of everything you would want to know about 10-10. It can be downloaded from the 10-10 web or is available from the Data Manager for \$2.50.

WinIQ

WinIQ is a Windows based program that is updated monthly and is a cross reference between the call and 10-10 number. It can be found on the 10-10 web.

XXIP

XXIP is a DOS based program that is updated monthly and is a roster of 10-10 membership through 10-10 #75001. It is available free at www.ten-ten.org/xxip.

AN-TEN-TEN-NAS

AN-TEN-TEN-NAS is a book by L. B. Cebik containing 30 articles and designs for 10 meter antennas from the pages of the 10-10 NEWS. The price has been drastically reduced to \$5.00 USD or free if you renew for 3 years. You must also include the additional \$5.00 US or \$8.00 DX for shipping.

ALL THE NEWS ON CD-ROM

Every published issue of the 10-10 NEWS on one CD. \$20.00
All profits from the sale of AN-TEN-TEN-NAS and the 10-10 NEWS on CD-ROM go to the 10-10 Scholarship Foundation.

Payment may be made by Check, Money Order or IRC's (\$1.00 USD per IRC). VISA and Mastercard are acceptable. Please provide Card Number, Expiration Date, Name on Card, Phone Number and signature of Cardholder.
