FIRST CLASS MAIL

QUARTERLY BULLETIN NO. 1 MARCH 1975

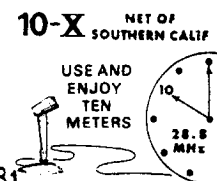

Officers for 1975: Morrie Goldman W6EHM 4189 Pres.
Tim McDaniel WA6MOJ 1258 1st VP; Grace Dunlap K5MRU
218 2nd VP; Jim Paine W6OI 109 Sec-Treas; Fran Levy
W6MYT 296 Rec. Sec; Claude Martin W6LRY 437 Cor. Sec.
& Int. Coord; George Elliott W6ENC 1774 Net Coord.
Joe Plumb K6CQN 7999 Bull. Mgr; Hans Tromholt WB6YYI 181

Editor.

Ten-Ten International Net of Southern California, Inc.

Monitoring 28,800 Khz—Daily Except Sunday @ 1800Z

HIGHLIGHTS OF THE QUARTERLY MEETINGS

Jan. 12, 1975: We are indebted to the nominating committee Ed WB6LWW and Grace K5MRU, for selecting the candidates for office. We are again fortunate in electing and appointing a staff of officers to serve the members of the Ten-Ten Net in 1975. WB6LWW proposed a major revision to the by-laws to reflect our present organization. WB6YYI volunteered to draft the by-laws for final adoption at our Fall '75 Quarterly Meeting. Copies would be made available to all active members in the Fall Quarterly Bulletin. Resolution passed to assign Cert. Nr. 11111 to 4U1ITU, the International Radio Club station of the ITU in Geneva, Switzerland.

Oct. 27, 1974: Resolution passed to assign Cert. Nr. 10000 to W3OHI, the AMSAT Amateur Satellite OSCAR-7. ARRL wants us to poll all our members to show over 50% belong to ARRL, as a condition for affiliation. We may poll our active members in a questionnaire in a future Bulletin. We would also include other matters of concern to our members; e.g. Docket 20282. NOTE; Effective Immediately: members in arrears of dues will be reinstated to active status upon payment of a \$1.00 reinstatement fee. Dues for at least one year (\$2) must accompany the \$1.00 fee. Please make checks or money orders payable to the Ten-Ten Net, Inc. (not to your U.S. Dist. Mgr.)

QUARTERLY MEETING ANNOUNCEMENT

Date: Sunday, April 13, 1975; Place: The Miramar Hotel, Santa Monica. Social Hour starts at 12:30P.M. Cost: \$4.55-includes dinner, tax and tip. Send reservations to our VP Timothy McDaniel, WA6MOJ, 2346 Royal Oaks Drive, Duarte, CA 91010. Agenda: By-laws changes, Docket 20282, Progress report on computerizing our records, etc. You may send \$3.00 (not later than Apr. 6, 1975) and pay the other \$1.55 at the door. All members and guests are invited.- It will be a gala affair and we hope to see you there! (1)

STATE OF THE TEN-TEN NET-from the Pres. W6EHH

To provide our members with a realistic report on our current status and our phenomenal growth, W6LRY and W6OI researched the records from which the following statistics were compiled:

Date	Cert. # issued	<u>Ten-Ten Net Membership Status</u>			
		New Members per year	Renewals per year	Pd. up Memb. (active)	Inactive Members
Mar. 1970	892				
Mar. 1971	2292	1400	412	1812	480
Mar. 1972	3518	1226	831	2057	1461
Mar. 1973	7788	4270	902	5172	2616
Mar. 1974	9062	2274	578	2852	6210
Oct. 1974	10000	1807	2024	3831	6169
Mar. 1975	10869	1807	2024	3831	7038

The March 1975 membership status is a projection based on the rate of acquiring new members and renewals in the period from March 1974 to Oct. 1974. With the recent improvement in 10m band conditions, both new membership applications and renewals have shown a significant improvement. With the continued enthusiastic support from our Chapter Heads and individual members, we may yet issue Cert. Nr. 12000 in March 1975. The renewals resulting from the Sept. 74 Bulletin have already dwindled. We hope the Feb. 75 Contest will encourage an increase in renewals and new members. But since Mar. '73, the number of inactive members is growing at an alarming rate. To reverse this disastrous trend we must provide strong incentives to return our inactive members to active status. As a first step, members in arrears of dues 6 months or more, will be reinstated to active status by only paying a \$1.00 reinstatement fee. As a second incentive Grace K5MRU has consented to run a second Contest in July 1975. We had two Bulletins in 1973 and only one in 1974. Our experience in 1973 and 1974 showed it was impossible to publish the Bulletin more frequently with the too few volunteers available to keep pace with the growth of our Net. The decision was made to mail these Bulletins to all members; paid-up or not because of the intolerable delay in sorting out the mailing labels. With the present Bulletin expense at over 30¢ per copy, we do not have the financial resources to publish the Bulletin for all our members on a quarterly basis. In the next quarter we plan to computerize our records. This will permit us to mail the June 1975 Quarterly Bulletin only to paid-up members as of Jan. '75. Our goal for 1975, again is to publish a first rate periodical for our paid-up members on a subscription basis. The March '75 Bulletin is being mailed to all our members since this represents a drastic change in our past practice. We now have twice as many inactive members as active members. Our goal for 1975 is to reverse this unfortunate ratio, provide a worthy Bulletin on a quarterly basis and inflation notwithstanding-no increase in dues!

From our VP in 1974-Gene W6DQH: It's astonishing to me how many hams I talk to on other bands from 2 to 40m are completely amazed when I tell them how many contacts are made from the West Coast to all U.S. Districts and to all foreign countries. "My gosh! I haven't been checking ten," they tell me. "I thought ten was supposed to be dead for a few more years. "Ten is dead only to those who don't use it. Suggestion: Let's each of us be a self-appointed Alert Station dedicated to alerting the hams we work on other bands to whatever activity we're hearing on ten meters. After all, isn't that our reason for having a Ten-Ten Net--to promote activity on the ten meter band? Talking it up is one way to do it!

TEN-TEN NET TEN METER QSO PARTY-OPEN TO ALL AMATEURS

Date: Starts 0000Z Sat. July 12, 1975; Ends 2400Z Sun. July 13, 1975.

All contacts to be made on 10 meters, any mode. Logs to include date/time, station, name, QTH and 10-10 No. (if a member of the net). Participation by non-members welcomed though not eligible for awards. You may submit a list of stations worked, plus \$2 to your U.S. Dist. Mgr. (DX to W6LRY) to qualify for membership and 10-10 number. Contacts with members will count for Bar/Plaque Awards.

Scoring: Members score 1 point for each contact; add 1 point if with a 10-10 member; add 1 point if outside your state, province, or country (maximum: 3 points). Please give the name of your Chapter to receive credit for Chapter scores.

Awards: 1st and 2nd place certificates to each U.S. district, Hawaii and Alaska; each VE province; S. America; Central America and Caribbean; Europe; Africa and South Atlantic; Asia and North Pacific; Australia, New Zealand and South Pacific.

Members only: Send logs to: Grace Dunlap, K5MRU/Ø, Box 13, Rand, CO 80473. Must be postmarked not later than August 31, 1975. Results will be listed in the Fall Bulletin. GOOD LUCK! -Grace Dunlap K5MRU 218 Contest Manager & 2nd VP.

Contest Certificates of Award: At long last, we are pleased to announce the recipients who persevered in spite of poor conditions in last years Feb. 1974 contest. 187 logs were received, some without date and time. These will be disqualified in future contests. The following were the top scorers in their district or area and have received Certificates of Award.

K1IDM	66/76	WA5KCT	64/73	K9EGA	29/42	LU7FAG	148/310
K1KYC	66/73	W5YZL	57/72	K9FZV	15/16	HK3CTJ	67/143
WB2MAN	90/101	W6RP	98/104	WBØCEI	79/99	CR6EO	52/106
WA2IFS	70/80	W5ISA/6	70/77	WBØGGG	41/49	ZS6BS	7/14

WA3INW	92/100	W7LED	32/40	VE3OYK	14/24	JH3GON	11/12
W4UGE	104/117	K8NWD	84/99	KP4DPB	66/72	ZL1BCF	25/50
WB4PXW	81/92	WB8IZO	58/66	TI4LGU	28/58		

The Nutmeg Chapter of Connecticut was the top scorer among Net Chapters with a total of 650 contacts made, for 720 points. The Michigan Robins were second with 491 contacts and 552 points. Congratulations! -Grace Dunlap K5MRU Cont. Mgr.

AWARDS PROGRAM-Under the expert direction of our Awards Manager Frank Orcutt W4JO #386, our awards program is stimulating much interest and activity on 10 meters. We are proud of our members who worked so hard to achieve these awards from June 1974 to Jan. 1, 1975.

Certificates of Excellence: awarded each month to the member submitting the most accurate qualifying list- Jun '74 W5YZL 8333; Jul '74 WB6GLI 4888; Aug '74 WØQHY 2955; Sep '74 KØMG 1836; Oct '74 W6MI 2909; Nov '74 W5JLY 9100; Dec '74 W6RP 259.

W.A.S. Certificates-arousing much interest on 10m and seems to be our most coveted award. Certificates issued since it was started by WB6EWE in 1973: 1. K4OYF 416 2. K5MRU 218 3. W4PPQ 4591 4. WØRWC 581 5. K4EKX 2388 6. WBØGGG 3735 7. WB4VBL 5499 8. W5PKV 8303 9. K1AVL 908 10. W4JO 386 11. K9FZV 532.

1000 Plaque: awarded to W6OI 106; W6MI 2909; W9MZZ 2610; WA3ELE 3168; W4RQZ 6415; W6DPV 4122; K1HEF 2010; WA6IYN 3026; W2KDI 3375; WB6DDH 3203; WB5OBJ 4266; W6EWO 417; W1FFT 571 (6/74 to 1/75).

Contacts with OSCAR-7 W3OHI 10000: our congratulations to W6RP, WA6RQP, W4GFQ, K4TT and WØRWC for acquiring #10000 all on very early orbits. We hope to see more members added to this list. Notify W4JO if you make a successful contact.

Contacts with 4U1ITU 11111: we will list the members who exchange 10-10 numbers

in the Bulletin. Please notify W4JO. We are indebted to Dex Anderson K3KWJ 6271, who suggested that 4U1ITU be assigned a distinctive 10-10 number. It is the only amateur station using the UN prefix 4U and the only one located at the HQ of the ITU. The station also counts as an ARRL country.

500 Bar Awards: our members who qualify for the 500 Bar are recruited as VP's in the exclusive International 500 Club. This organization operates under the direction of W4JO; completely independent of the Ten-Ten Net-financially and otherwise. We are proud of our members who earned the 500 Bar: K5AK 8369; K1AVL 908; K8ZGV 3918; WB6DDH 3203; WB4RFZ 5813; W9MZZ 2610; W3KTW 4940; W4DWN 490; WB6GLI 4888; WB8EDG 2978; WB2MNO 2573; WB4VBL 5499; WB6NNL 3100; WB4TCH 4986; W3BXG 643; WB5IHC 4826; W5YZL 8333; WB5GBJ 4266; WA6GHH 3293; W4YID 3516; W8BSR 2795; TI2WX 7801; W0MHK 1970; K0MG 1836; W6ZMX 8873; W7IOP 1618; W3HVM 5245; WA6OHT 2962; W5JLY 9100; W7BXR 323; WA6FQL 5498; K6GNG 3235; ZL1ARO 774; WB2MAN 4368; WA6GFH 3157; WA0EWJ 1455; WA6NAU 7219; WB4GLD 4934; WA5TKE 2304; WA6KKS 3346; K9KKU 1504; WA1NVP 8519; W5VVO 3679 (VP-118 thru VP-160, recruited from 6/74 to 12/74).

EXTRACTS FROM W4JO's MONTHLY NEWSLETTERS

June 1, 1974 "INTRODUCTION-Starting as the 500 Club in early May 1971, we have progressed beyond our fondest dreams, with 100 members in 33 different areas of the world. Conditions on the 10 meter band have reached the highest level of improvement that anyone could have prophesied 10 years ago. Starting out as a 100% AM group, one-by-one changing over to SSB, our first 25 members found the newcomers coming up the ranks with 100% SSB gear. In the early days we crowded around 28.8 with all modes including CW. Now we have a gentlemen's agreement to operate around 28.6 with SSB only....."

"OBJECTIVES: Our objective from the first was to relieve the crowded net frequency by moving up to 29.5 since we had already worked "our 500". Today our objective is pretty much the same, i.e. "Full Band Occupancy" on 10 meters. 42 of us have passed the 1000 mark and looking for more. Our calling frequency on SSB is now 28.5 (plus 500). We should still monitor 29.5 for AM contacts and encourage young newcomers who cannot afford SSB gear. We must also respect the AMSAT program and watch for OSCAR fly-by on this frequency.

Dec. 1, 1974: "FLASH: On this date (Nov 16th) the AMSAT Amateur Satellite OSCAR-7 was successfully launched from Vandenberg AFB. The Ten-Ten Net has just announced that W3OHI OSCAR-7 has been issued the Ten-Ten Number 10000 (10K)."

"OCT 12th CW CONTEST: Has been extended to Oct 12, 1975, due to slow start, but promises to catch up before the year is over. Watch 28.5 for CW."

Jan. 1, 1975: "FLASH: FCC announces a change in our license structure, known as Docket 20282. Study this carefully. This may affect every U.S. amateur and might eventually go international. 10 meters would be divided at 29 mhz. We keep 28 to 29. 29 to 29.7 would go to an "Experimenter Class" license. Advance class may reclaim this territory but Generals would lose out, unless they take the new Experimenter Class examination...."

CHAPTER HEAD AWARD OF EXCELLENCE

With the enthusiastic support of our Chapter Heads at the grass roots level, we continue to enjoy our remarkable growth. The role of the active Chapter Head is most important in attracting new members into our Ten-Ten Net. In recognition of your vital contributions to the net, our Net Coordinator, George W6ENC will select the best Chapter Head Report submitted each quarter to receive a special Award of Excellence. We are pleased to announce that the first award has been issued to Richard Levy WB2MAN 4368 Chapter Head LIARS. We regret that we do not have space to print his excellent 3 page report in its entirety. Excerpts from WB2MAN's report, "The Long Island Amateur Radio Service meetings are: Wed. 28.620 2030 OUT summer, 2130 winter; Thurs. at 0000CUT summer, 0100 CUT winter; CW net-Fri. 0100 CUT. Any and

all check-ins are welcome....The new rules for the award are; 1. All locals who send in their applications will automatically receive a LIARS award. 2. All other locals must work ten LIARS certificate holders. 3. Out of state applicants must work five LIARS certificate holders. 4. Send usual info to Rich Levy WB2MAN, 30-A Arleigh Rd. Great Neck, NY 11021-The certificate is self propagating, so all who receive the award can give out their number to those trying to get it. The official LIARS members are: WB2OZA, WA2EOI, W2FWA, WA2MXZ, WA2DDE, W2KDI, WA2FBV, W2MIG, W2EAM, W2DYS, WA2VVX, W2IBR, WB2NDR, WA2MFM, WA2VWE, WB2JOG, WB2DSM, WA2GEZ, WB2IFS, K2PAY, WB2ZSW, WA2LOJ, WB2MNL, WA2MHL, WB2FVX, WB2HWZ, WB2APO, WA2SHR, WA2JLM, WA2JOG, WB2MAN, W2LOT, WA2KTO, K2HTO. NCS's on 28.620 are: WB2NDR, WA2DDE, WB2MAN, WA2FBV, WA2EOI, W2KDI, WA2MXZ. WA2MFM is NCS CW net." signed: 73, Richard Levy/WB2MAN Chapter Head LIARS.

From WA7DCO's Report (a close 2nd): "A handsome certificate is available (12/74) from the Thunderbird Chapter. Local members need 10 consecutive check-ins plus 25¢ or 5 plus 50¢. Out of local area need to contact 5 cert. holders plus 50¢. Submit qualifying list to Ed Mernagh 1435 WA7DCO, Thunderbird Chapter Cert. Mgr."

TEN-TEN NET INFORMATION

Membership applications, renewals and Ten-Ten Stamps are handled by your Dist. Managers. Make checks or money orders payable to: Ten-Ten Net, Inc. We still need your 10-10 no. and expiration date for correct renewal. Our busy Dist. Mgrs. appreciate a S.A.S.E. enclosed for renewals and 10-10 Stamps.

Districts 1, 2, & 3 Leroy Pasewalk 213 WB6MGM 18815 Yukon Av, Torrance, CA90504
 Districts 4 & 5 Grace Dunlap 218 K5MRU Box 445 La Feria, TX78559
 District 6 Morrie Goldman 4189 W6EHM 21518 Marjorie Av, Torrance, CA90503
 District 7 Ed Mernagh 1435 WA7DCO 26 So. 67th Av, Phoenix, AZ85043
 District 8 Dr. Bob Hurd 5380 WB8FGX 3126 Athens Rd Cuyahoga Falls, OH44224
 District 9 Ken Kern 2991 K9BEH 1808 12th St Bedford, IN47421
 District 0 Rollie Hall 1545 W0LST 72 Walden, Burnsville, MN55337
 Call Areas Not Listed: Claude Martin 437 W6LRY 3603 Syracuse, Baldwin Park, CA91706

Important Notices-1. Notify applicants to submit a list of 10 members contacted on 10m. DX need 5 contacts. Dues \$2 for 1 year must accompany the list.
 2. Dues are \$2 per year. Members in arrears of dues more than 6 months will be reinstated to active status by paying a \$1 reinstatement fee. Dues for at least 1 year (\$2) must accompany the \$1 fee. The next Bulletin will be mailed only to our paid-up members as of Jan. 1, 1975.

3. Rosters are handled by George Elliott 1774 W6ENC 942 Victoria Dr Arcadia, CA91006. Send \$1 if requesting roster only. With renewals, your Dist. Mgr. will forward your roster request.

4. Bar and Plaque awards are issued by Frank Orcutt 386 W4JO 2752 S.W. 3rd St. Miami, FL33135. The 100 thru 900 bars and the 1000, 2500, and 5000 Plaques are issued for the number of different 10-10 Net members contacted (no repeats and no multipliers). Qualifying lists are checked 100%. The list must show the date, time, 10-10 no., name and QTH as confirmed on-the-air.

5. W.A.S. Certificates are issued by W4JO. Send QSL cards to show contacts made after Jan. 1, 1973. Mobile and portable if residence is less than 3 months are disqualified. Include \$1 (stamps OK) for packaging your QSL cards and Certificate for return.

6. Our QSL Stamps make an attractive addition to your QSL cards and letters. Still available from your call area manager for \$1 per sheet of 100 stamps.

7. The California Chapters are conducting the net on 28.8 mhz all modes, 1800Z.

8. Include your 10-10 no. in all net correspondence. Notify your District Manager of call letter changes and QTH changes to assure receipt of the Bulletins and Ten-Ten Net correspondence.

9. The Roster/Supplement is being planned as a separate publication to allow space for newsworthy articles. We solicit your articles and letters for future Bulletins; e.g. Docket 20282 10m impact, How I eliminated TVI on Ch. 2, Propagation forecasts for 10m, etc. (W1HDQ-please note). Submit copy to W6EHM.

CHAPTER HEAD ACTIVITIES REPORT-from our Net Coordinator George Elliott W6ENC

The Chapter Heads deserve a great deal of credit for the success of the Ten Ten International Net of Southern California Inc. The Chapter Heads are the ones that keep the band in operation during the periods of no or little activity on ten meters. You the Chapter Heads are in a large way responsible for the Ten Ten Net becoming an international organization. The Chapter Heads and members of their Chapter would ask the Foreign Amateur for a "Ten Ten" number and then explain how to get a number. The result was that Chapter Heads were appointed in the Foreign Country and they in turn formed a Chapter.

The activities of the various Chapters are numerous. Some Chapters have a monthly gathering and meet each other on common ground, Amateur Radio. There are Chapters that conduct classes in code and theory for Novice's and those who wish to update their license. The following is the activities of some of the Chapters. There are a lot of Chapters that do not report their projects and as a result the following is only those that report to the Co-ordinator.

The Ten Tuners of the Cincinnati area are engaged in the weather watch program and any one interested should contact the Chapter Head Del Muckenfuhs WB8EDG. Del will welcome all Chapter Heads correspondence regarding the program or others who are involved in similar activities.

The Blue Spruce in the Denver area are still going after a dull period. Donn Self is Chapter Head.

The Gold Dust Chapter in Saskatoon, Sask. Henry Slack had a bad time last year due to so much snow. Henry retired from farming last year so he will have more time on the air.

The SweetHart Net in Maryland DC has a very nice certificate that is available. The Chapter also has the "Yodar Kritch" award. Jim Hart WA3NCQ is Chapter Head.

The Bay Area Chapter in California is growing rapidly. W6ANK C/H and WA6OHT Asst. C/H are a good team. Dick W6ANK is also NCS on Mondays and Wednesdays.

The Stark County Mutual Aid net averages 40+ check ins each session. Bill Parks K8JZN is the Chapter Head.

The Sky Blue Waters Net in Minnesota with WBØFKR C/H and WBØGUM Sect. have a very large and active group. It is a stand off with The Stark County Mutual Aid Chapter as both are very large but The Sky Blue Waters Net is the top Chapter. They (Minn) is on every day while (Ohio) is a weekly Net.

The Kentucky Louisville Chapter and Sandy Roman WB4SRX are active in the Rac. Horse Country.

The Massachusetts Chapter with EX gentleman farmer Warren Newhall of Saugus reports lots of DX in that section. Warren keeps that State on the Ten Meter band.

The Hoosier Hills Chapter in Bedford Indiana, Ken Kern K9BEH is C/H and District 9 Certificate Manager. Ken just retired so now he has something to keep him busy.

The Tennessee Chapter keeps the State on the map with a lot of DX so says WB4PPY C/H and his assistants.

The Gateway Chapter in St. Louis has a very nice Certificate that is available for working five stations in the Chapter. The Chapter held a get together recently with a lot of talk and "Kentucky 807s" so says Jim Wilson C/H and Bob Kuthe Sect.

The Nutmeg Chapter in Connecticut seem to be having a lot of fun now that the band has opened up. Fred Burleigh WA1HMC C/H got froze up last year with the cold spell they had. Fred has retired so will be on the air more.

The Rio Grande Chapter in Texas has a large territory to cover and Art K5TRZ does it well. K5MRU Grace is also a Chapter Head there along with the Contest, V.P & Certificate Manager.

The Suncoast Chapter in Florida has a certificate available for working five member stations. Roy KLFRG says some of the stations check in the long way around, via S.A.

The Net has about 30 members

The Thunderbird Chapter in Phoenix is very active and send out a roster of the members that check in. The Chapter also sends a list of the International Beacons. Ed WA7DCO

is the Chapter Head and Bob K7RDX the scribe, assistant and editor.

ZL1ARO George Chapter Head in New Zealand is very active and checks in with the Southern California Net whenever the band is open. George keeps the "Down Under" Chapter going.

The Fair Lawn New Jersey Chapter is alive and well, Joe Barbanel has had problems as his office was moved and more time is involved in traveling. Amateurs are not the only ones that move, jobs do to.

The Oklahoma group in Tulsa are doing a good job with two and three nights each week on the Air Waves. Bud W5NNL Chapter Head works nights part of the time so his co-ordinator takes over.

YV5MM Manuel Mosquera Ramirez is a new Chapter Head and has not sent in a report of the Chapter in Venezuela.

YN1FWW Francis Nolan is starting a Chapter in Nicaragua but has not given a report so we have no information to pass along.

The L-I-A-R-S Radio service in Great Neck New York are a real active Chapter. The Chapter edits a news letter, monitors the ten meter band, teaches code. Richard WB2MAN Chapter Head would like to have the frequencies, time and days of the various Chapters. When possible that will be done. The L I A R S also have a certificate. They use 28,620MHz.

The Louisiana chapter has very little activity, reports Jim W5PNB. Jim says "everyone but me has gone to two meters. Lets give Jim some help in getting Louisiana back on ten meters.

The Blue Grass Chapter in Kentucky reports that the Chapter is alive and well despite ten meters being forsaken by others. The Chapter is 28.6 MHz Wednesday's at 8:00PM their local time.

The Hemet Chapter, (California) is still going strong in spite of band conditions. George W6IWU checked in on the local net the other day. George made a trip to KH6 for a vacation.

The Truro Chapter in the far north country of Nova Scotia says very little doing up there. Ten is getting better Dick so get the pencil ready for contacts. Dick VE1AHW is the Chapter Head.

VE5LI Fred Leeks another Chapter Head LaPorte, Sask. reports it was cold up there and he could not get in the shack due to the snow. The other Chapter Head reported he was cold also.

The Golden Bear Chapter in the Sacramento Valley (Calif.) sent a list of the members belonging to the Chapter and it was a long one. Kay WB6POQ is Chapter Head. The Chapter is very active.

The Delaware Valley Chapter in Pennsylvania tells me that they were the first Chapter to send out a Certificate. The Certificate is available by working five members of the Chapter. Bob Field WA3INW is the Chapter Head. The Chapter is on 28.660 MHz each Thursday night at 8:00PM local time.

G2DRT #4269 Francis S.G. Rose is a new Chapter Head in England. No report. he is new.

The forgoing was a partial list of the Chapter Heads that have reported since the last letter. If a Chapter was left out it was not intentional. The list give all the Chapter Heads a run down on their counterparts in other parts of the country.

The thanks to all the Chapter Heads and Net Control Stations that make the Ten Ten International Net one of the largest in the World.

The above list of Chapter Heads and the activity of the Chapters they head gives an idea of the work the Chapter Heads are engaged in. The Chapter Heads deserve a great deal of credit and cooperation from all the members. Everyone is invited to check in with any Chapter at any time.

The Ten Ten Net can use more active Chapter Heads. There are several areas where Chapter Heads are listed but never send in a report. We are sure the Chapter Head is active in some way but how is the question. The job as Chapter Head is to be a fun job and will not interfere with other committments. Anyone wishing to be a Chapter Head and start a new Chapter please write me and the information will be mailed to you. The purpose of having Chapters is to keep the local Amateurs on ten meters. Some Chapters have projects others do not. There are a great many that have certificates that are nice to have. The Chapter Head and the local group set up their own program, time of check-in day etc.

Bulletin Supplement to the Roster

 winter CW net, Sat 0100Z all frequencies are 28.620 MHZ. Any and all are welcome.

There are a number of Chapters that have certificates available. The average cost is fifty cents or in some cases less. Whenever anyone checks in with another Chapter ask if they have a certificate and the rules to obtain one. You are urged to check in with other Chapters. The coming contest will be a good time to start.
