This publication welcomes the submission of short articles, news reports, announcements, and so on. Bear in mind that publication dates are approximately a week after the first day of January, April, July and October. Copy deadline dates are generally the 15th of the month preceding publication. ★ ★

Any manuscripts should be typed, and camera-ready, and should be mailed flat, if at all possible. Copy may be single-spaced. Use 8 1/2" x 11" white paper, and leave 1/2" margins on both sides. ★ ★

Photographs in black-and-white are preferred, since they reproduce more clearly than color. Include complete identification of subject matter, with call signs, complete names, 10-10 numbers, chapter identification, and any other desirable information.

ATTENTION

If your address has a U.S. Zip Code, send your renewal or order to the Manager serving the area with the same number as in your own call sign. Details on page 31.

Words from the President

HOWARD BOWMAN
W6QIR #4509

IN THE LAST TWO ISSUES, I have mentioned 10-10 members who held important positions in ARRL. That information was not difficult to get. Not so easy, however, is it possible to learn of what's going on in similar organizations in other lands. To our rescue has come a communication from LABRE -- Liga De Amadores De Radio Emissao, in Brazil. It is indeed good news to learn that another 10-10 member, PT2FR, Francisco Jose de Querioz, has been elected President of that organization. His 10-10 number is 32924.

AFTER WRITING THE ABOVE PARAGRAPH and re-reading the letter, I was not astonished to learn that there were a couple of accents I had not been able to include, for which I hope Francisco will forgive me. Fact of the matter is that typewriters intended for use in the English language simply do not accommodate themselves to the variations often found in other languages unless there has been some substantial modification. Further fact, however, is that when I bought this machine, the wily salesman sold me another daisy wheel which does contain many of them, including the ones I would have needed in the preceding paragraph. Further fact is that my younger daughter teaches fourth grade in a school in which the pupils come from a wide variety of ethnic backgrounds. When I bought her a typewriter like mine, I threw in the foreign language daisy wheel as a bonus, figuring that she would need it more than I. It has helped her, but I can see that it may create problems for me. Maybe I'll have to buy another one.

THERE ARE SOMETIMES THINGS I HAVE DEEP FEELINGS ABOUT, but which I hesitate to mention on these pages for fear of being thought of as more of an old grouch than I really am. One of these is the practice of some operators of reeling off a string of chapter numbers, upgrades, and the like, when just being asked to check in. As I said, I have a feeling that this is inappropriate, but hadn't mentioned it until I got a letter the other day which had these sentences, "I personally don't think this is the way to go with 10-10 numbers. Speaking as a net control operator, it's difficult enough nowadays to get people checked in with just their basic 10-10 info before the band changes again." It was reinforced for me when I heard a 2 trying to check in the other day. By the time the next chap had finished with his string of numbers, the 2 was gone.

SOMETIMES THINGS GET STARTED FOR NO APPARENT REASON, and with no source that one can pin down. A couple of weeks ago I heard a local calling CQ on 28.6. He made a contact and suggested that they move up ten since 28.6 was a 10-10 calling frequency. That was news to me. A few days later I had an opportunity to talk with the chap who had made that statement and asked him where he got his information. As I suspected, it was from someone else, whose name and call he could not recall. Just the other day I received a letter in which appears this sentence, "I was once told that 28.6 was a general hailing frequency for ten meters" That's a bit more like the fact of the matter. I well recall that back during the last propagation slump, any contact one might get was likely to be at 28.6, plus or minus 25 or so.

SPEAKING OF CONTACTS reminds me that I still haven't heard anything much below 28.5. I suppose one excuse is that there are a lot of rigs like mine which tune, basically, from 28.5 to 29.0. If I want to go lower or higher than that, more than 40 or 50, I have to do some switch punching or twisting and re-tuning. I do it -- sometimes, but probably not often enough.

WHEN I WAS ABOUT THREE-FOURTHS OF THE WAY through the preceding page, the red telephone on my desk rang. It was Jo Moise, K6AYU, who is 10-10's Roster Manager. She didn't have a dire emergency, but she did have a wholly reasonable request, which was that I say something about how your Roster orders get processed. What brought this on, if I heard her correctly, was that she received a letter asking why the Roster ordered back in 1983 had never been received. 1983 indeed! Anyone who waits that long doesn't have anything to complain about.

Nevertheless, here's how it works: Your order for a Roster (cost, \$4.50 in the U. S., Canada, Mexico, \$6.50 by air elsewhere) goes to your District Manager. The Manager prepares a mailing label, with your name, address, etc., and sends it to Jo at the same time he sends in his regular monthly report. Jo has the Rosters already in their mailing envelopes with stamps on them - 95¢ worth - and all she has to do is put on the mailing label she has been sent and drop it in the mail box. It is sent at third class rate and doesn't get returned if it cannot be delivered.

The only person who has a record of whether your order was received and the mailing label sent to Jo is the Manager to whom you sent it. If you don't receive the Roster within two months after you have ordered it, check with that Manager.

HANDLING THOSE ROSTER ORDERS is just one of the many things a District Manager does. An issue or so back I had a paragraph or two about the LIARS FLYER, and mentioned that Larry Berger, WA2SUH had written an article about all the things a Manager does. I was tempted to a bit of cutting here and there and just use Larry's article, since it is apparent that not too many 10-10 members are familiar with the operation. It's a fairly long article, however, so I'll just mention some do's and don'ts: Use the order form on p. 31 of the News or a copy of it. Check your order carefully for accuracy and to be sure the check you send is correct and has your name, your call sign, and your 10-10 number on it. Yes, Junior, there is room for these last two items at the bottom of the check somewhere, usually on a printed line. Don't leave them out! Never send cash. Make the check out to 10-10, not to the Manager. And, for Pete's sake, when you are giving out 10-10 membership information on the air, have a copy of p. 31 in front of you so that you don't give out the wrong information.

Aside from the Roster mailing labels, the Manager makes two monthly reports. One is a financial report, which goes to Treasurer Gerry Gross, WA6POZ, and the other is a membership report to Records Manager Lee Pasewalk, WB6MGM. Lee is also the one who issues 10-10 numbers to the Managers in blocks of 100. Issuing blocks of numbers that way means that it is quite possible for your buddy in a different call area to become a member after you do and yet get a lower 10-10 number.

THE WAY IN WHICH THIS JOURNAL is arranged, using whole page widths, rather than columns means that vertical space is at a premium. Sometimes Editor Jim Michaels gets a page of typed material and an accompanying letter which says, in effect, "Publish this." When you look at the material you may find that it is double-spaced and has right hand margins that approach two inches. It may have some passing interest, but it simply takes up too much of a page to be usable. It could be re-written, but neither Jim nor I can find that kind of time. If you submit something, go by the rules Jim has on p. 2, and be sure it is camera-ready. Remember, too, that what you have written may be deathless prose to you, but meaningless to anyone else.

THIS THIRD PAGE OF MY REPORT is being written on Saturday, December 15, which is a noteworthy date for two reasons: it is Editor Jim Michaels' deadline for copy and it is my birthday. I can do something about the former, but, unfortunately, nothing about the latter. Because I accumulate information over a period of weeks, I generally do the first two pages ahead of time, and leave the last page for clean-up of last minute information.

MOST IMPORTANT IS THE LETTER FROM CARL SCHOEN, W4NJS, who has been DX Manager for some time. Carl has been ill and must relinquish the assignment, so we are in need of a candidate. We first heard of this indirectly about December 8 and have been trying to find someone, preferably on the East Coast, but no luck thus far. The need is great and if you wish to be considered, please write me at 5872 W. 77 Place, Los Angeles, CA 90045, or call (213) 645-7205. If, by the time this issue goes to press, we have found someone, it will be announced in Jim's, "From the Desk Of . . ." on the last page. Jim writes that material just before going to press. And, lest I forget it, we all owe a great debt of gratitude to W4NJS, who has handled this assignment so very well.

DECEMBER IS CHRISTMAS CARD TIME, and I have a lovely one from Juergen Wenck, DL2HAJ, No. 36111, who wishes all Ten-Tenners a Merry Christmas and a Happy New Year.

ON THE PRECEDING PAGE I MENTIONED THE ROSTER and how one gets a copy. Since I wrote that, some disturbing information has come to light, namely, that fewer than half the copies printed have been sold. Printing a Roster is an expensive proposition because most of the costs -- computer preparation, paste-up, photography, plate-making, press set-up, and postage -- are fixed, regardless of the number printed. If the Roster isn't wanted (read that 'bought') by members, there is no reason to do it. As of this writing, it looks as though we may not be able to afford one this spring. And, by the way, Jack Smothers, KD7XI, does a quarterly update which he sells for a buck. His address is Box 425, Turner, OR 97392.

THIS IS A GOOD TIME FOR YOU TO TAKE A LOOK at Page 2, left hand side. The first eight names listed constitute 10-10's Board of Directors, which is composed of the elected officers (first four names) and the appointed Directors (last four). There have been some changes since last year. Ten-Ten is facing some hard sledding because of the propagation conditions, and the postage increase coming up January 17 will not help the situation. It's going to cost 13.8% more just to mail the News to you, and of course first class postage is up 2¢, which doesn't sound like much, but works out to 10%. Remember that when you send an SASE.

SOMEWHERE OUT THERE IS A PUBLICATION CALLED MONITORING TIMES. It doesn't appear to be known to librarians or to magazine dealers, so it is probably much like this 10-10 News and only goes to members or subscribers. Anyhow, we are indebted to it because it apparently mentioned 10-10 favorably, if a bit inaccurately. Editor Jim has received a number of letters inquiring about 10-10 membership, some from SWL's, some from hams, and some from former members wishing to re-up. Now, if some one of our members would be so kind as to send Jim or me a copy of "Monitoring Times" or the name and address of its editor or publisher, we might be able to establish contact to our mutual advantage. Anyone have any info? HELP!

PROPAGATION CERTAINLY PERKED UP A BIT along toward late November and early December. It was good, indeed, to hear once again the voices of many of our friends east of the Mississippi whom we hadn't heard since last year. With conditions as they are, the only way I get news to write about is if you write me. Write! Write! Write! My address and telephone number are in the second paragraph on this page.

Edward

10-10 Business Meeting
November 4, 1984

The meeting was brought to order by our President, Carl Winter, W6OAW, at 12:57pm on November 4, 1984 at Woody and Eddy's Restaurant in San Marino, California.

A salute to our flag and a moment of silence in memory of the Silent Keys since our last meeting was followed by introductions of all members present.

Our Vice President, Jim Cass, AA6K had no special report.

The Secretary's minutes of the last meeting were read by George Joy, WB6SYJ.

The Treasurers report by Gerry Gross, WA6POZ, reflected a healthy state of affairs. He also reported that one chapter had become extinct and turned in it's treasury of over \$200.00.

The Board of Directors reports from George Elliot, W6ENC, Morrie Goldman, W6EHM and Howard Bowman, W6QIR, were on antenna regulations with regards to local and federal governments. Some information on our "Lucky 13" certificate was discussed.

Jim Michaels, W6PGM, our editor, gave some information on the ARRL Convention being held aboard the Queen Mary next August. The 10-10 organization has been given a free booth and we will need volunteers to man it. Jim also states that at this convention will be the largest prize give away there has ever been. Jim still would like photos to be sent for publication, but requests that before sending any photos, please read page 2 of the 10-10 News.

Our Chapter Coordinator, Connie Hauck, K6EXQ, reports that the band is opening for short periods of time, so keep those receivers warm. Connie also reports that due to band conditions some chapters are becoming inactive. We are now down to 145 active reporting chapters.

"Sherm" Sherman, K6PTF, our Net Coordinator, reaffirmed Connie's position on band conditions.

Our Supply Manager, Wes Emerson, WB6GWS, reports that supplies are getting out and going well for him.

Bob Hartley, W6WPY, is the Chairman for the nominating committee. Bob thanked all those that he worked with and talked to with regards to his task of supplying names for the officers to be elected. The nominations and results are as follows:

President: Howard Bowman, W6QIR
elected unanimously

Vice President: Norm Lefcourt, W6IRT
elected unanimously

Treasurer/Corporate Secretary: Gerry Gross, WA6POZ
elected unanimously

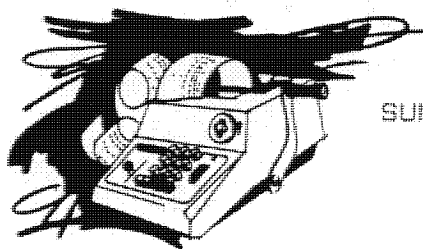

Secretary: Bob Hartley, W6WPY
elected unanimously

New business from the floor was requested by Hans Trombolt, WB6YYI, who brought up the subject of our organization keeping our own records on our own personal computers. The discussion that followed ended with the decision to continue operating with the commercial computer outfit. It was also mentioned and requested that people were needed to volunteer for the vacancies that were now on the Board of Directors.

The meeting was closed at 2:30pm.

Respectfully Submitted,

George Joy, Secretary

Notes and Miscellaneous

This second quarter report is a little late getting to the editor. Hope he still can fit it in the NEWS. The numbers were all computed and available at the November brunch, but like most things that aren't finished when they're begun, it sat around until it was almost late, and then hurried. Nothing major to report other than the larger expenses this time were due to the second payment of deferred printing charges, and the re-printing of most stock items. I received a letter from the Textile Empire Chapter, stating that due to the lack of local activity their, chapter is no longer in existence and that they had decided to donate their treasury to 10-10. I accept and thank them on behalf of 10-10. I would like to say that I'm holding their funds until they and the band is on the upswing.

CHECK 28.050 MHz ON THE HOUR, 28.150 MHz ON THE HALF HOUR!

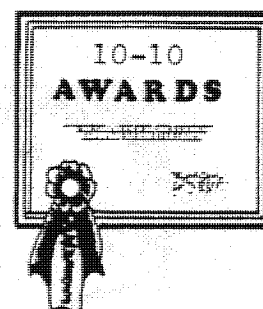

Hearing South American CB-type 'phone stations in the c.w. portion of the ten-meter band brought to mind the main reason for TEN-TEN's existence: To increase the amateur service's usage of the band and to discourage encroachment by others. Being adjacent to the 27 MHz wasteland, the lower part of the c.w. portion is the most vulnerable.

This consideration, plus the desirability of attracting novices and technicians into TEN-TEN, are my main reasons for suggesting that ten-tenners, as well as those desiring to qualify for a ten-ten number, listen -- and if nothing is heard call CQ TEN/TEN -- on 28.050 MHz on the even hour UTC and on 28.150 MHz thirty minutes after the even hour UTC. There would be no net and no net control. The system could be used at any time of the day or night. Dex Anderson, W4KM, #6271

RAYMOND E. MEYERS, W6MLZ, No. 94

Ray, W6MLZ, passed away recently and with him he takes some of the golden memories of ham radio. He had accomplished so much and received so many awards that it would take reams of paper to list them all. As Director of the Southwestern Division of the ARRL, he was instrumental in the founding of 10-10. He offered and gave his assistance and advise to the net when it got started in the early sixties. In a recent award, presented by the Morse Telegraph Club, he was recognized as "One of the worlds most highly distinguished amateur radio operators".

JOE SIMPSON, G4JS, No. 969

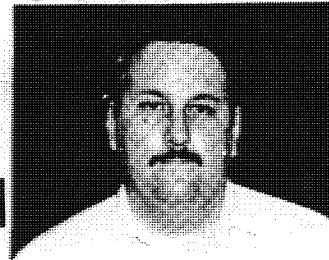

Many of us were able to meet Joe during his visits to the U.S.A. and know what a fine gentleman he was. During the mid-thirties Joe received his license and his call letters just happened to be his personal initials. He was founder and chapter head of the Pendlewitch Chapter in Darwen, England and a long-time active and loyal 10-10 member. We will all miss the gentlemanly voice of G4JS.

ANNOUNCING

10-10 INTERNATIONAL NET SPRING CW QSO PARTY

By: Harry Syring, WB1PTQ
Chairman, Rules & Ethics

Starts: 0000Z (UTC) May 4, 1985
Ends: 2400Z (UTC) May 5, 1985

Ten-Ten QSO Parties are open to all amateurs but only paid-up members are eligible for awards or chapter assignment of scores. They are conducted to encourage Ten-Meter operation and interest in the Net. Non-members may use numbers collected to qualify for membership; members use them for awards.

RULES

1. All contacts must take place between 28.0 and 28.2 MHz.
2. Exchanges: Callsign, name, city, state, and 10-10 number.
3. A station may be counted only once.
4. Single operator stations only are acceptable.
5. CW and RTTY modes are acceptable.
6. All Contacts must take place within the 48 hour contest period.
7. QRP class limit is 10 watts output.
8. Logs must be kept in UTC (Zulu Time).
9. A Dupe sheet is required of all participants submitting logs.
10. Chapter assignment of scores may be only by a paid-up member, belonging to that chapter as a local member, and able to work that chapter Net via groundwave from the location of the station working the contest.
11. Illegible or improperly submitted logs will be rejected. See below for log submission requirements.

The Nutmeg Chapter has enjoyed scoring the two phone contests this year. I should make note of a few points which came to our attention. First we were quite suprised at the number of logs received which did not have a dupe sheet or had an incorrectly prepared one. Secondly those who use a computer which automatically dupes as it logs should state so on the log when submitted. Ideally the program should include a "Print 'Dupe' Statement" and leave the dupes in the list but not have them counted.

When logs were received early and rejected we sent out 3X5 post cards to the member to let them know the reason for the rejection; this gave them the opportunity to make the correction and resubmit prior to the contest deadline.

Special thanks to those chapters who use a contest coordinator to check the logs before sending them in for scoring. These logs are also more likely to be correct. More chapters should adopt this approach.

Above Left (L-R) Standing, Vladi, UA3GEA, #36921; Alex, UA4WCE; Vic, UA4WBJ. Seated (L-R) Alex, UA4PFR and UA4-sw1, Oleg. Above Right, at a different location, (L-R) standing, Vic, UA4WBJ; Alex, UA4PFR; UA4-sw1, Oleg; UA3GEA, Vladi and seated is Alex, UA4WCE. It is interesting to note the equipment and 'T'shirts.

Ramiro Lemaitre, HK1GAD, #38337 at the operating position of his station in Cartagena, Colombia. "Ram" sends his best regards to all members of 10-10 and states that he is 68 years young and has 10 grandchildren. He is chasing VP numbers!

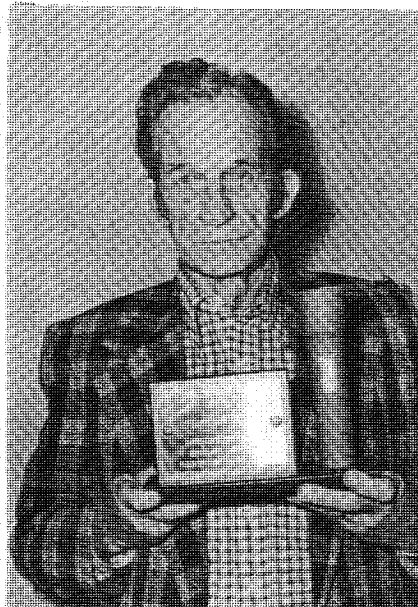

From Jurby, Isle-of-Man a photo of (standing) Brian, GD4PTV, #36145 and (seated) Peter, GD3GCE, #24476. Brian states in his letter that his friend Peter spent many years in Uganda as VQ5DM and would very much like to hear from any old friends.

Hideyuri Nebiya, JE1BQE, #25509 operates this elaborate station from his home in Tokyo, Japan. He has been very active on ten meters for many years and is hoping for improved conditions soon so he may contact his many 10-10 friends.

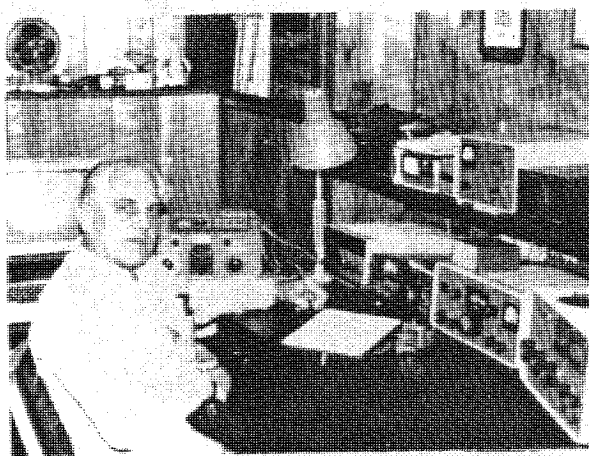

Republic of Texas CH Chuck Harman, KJ5L, accepts a check for \$300 from Connie, XYL of WA5JDM, on behalf of the XYLS of Charter Members and the XYLS who are Charter Members. The ladies held a garage sale and raffled handmade items for their second annual fund-raiser for the Chapter. The money is used for chapter activities, including the RTX Newsletter. L-R are Martha, XYL of KJ5L; Grace, XYL of W5KND; Betty, XYL of KD5EE; Mildred, XYL of KC5FX; Connie, XYL of WA5JDM; Betty XYL of WD5BFO; Mavis XYL of N5ANN; Theo N5DIU (24C); Chuck, KJ5L and Leslie, KA5LKQ (22C).

An old timer most of you have worked as he has been active for many years on ten meters. His name is Ed and he is W9BM, #5738. Ed lives in Palatine, IL and he hopes conditions get better soon!

Heres a guy you all know "Pete", K4KAH. Pete is #6 on the Top-Ten list and is Certificate Mgr. and NCS for the Treasure Coast Chapter.

The Norwalk Keystone Chapter held its 2nd annual picnic recently and as you can see it was well attended. The top photo shows the entire group, including children, who all had a good time. News

Jim Mihalick, KAØPCI, 10-10 #36832 was awarded a \$1000 Westinghouse scholarship. The Electric Energy award presentation was made at the Chicago 4-H National Convention, with Jim attending as a guest of Westinghouse.

Jim, the first 4-H club radio amateur ever to receive the award, holds an advanced license. His proud father, Jon, WBØYES is 10-10 #19549.

Ralph, WBØDCX, 10-10 #9577, the leader of Jim's 4-H affiliation, the Pueblo, CO "Pace Setters", is a charter member of the Cliff Dwellers Chapter and Jim, KAØPCI, is also a member.

As a result of unfavorable band conditions, the "Super Shootout Contest" was not as successful as had been anticipated. However, it was not a total loss. Stan, W5ZF, reported that seven stations won Billy the Kid cups. The winners were KD6JC, WD6DFB, KA4UEM, WA5EXY, N1CTD, WB2LLH and KA4HOY. I would like to thank all who participated in the contest. I know when band conditions are poor, it can be very discouraging. Hang in there, better days are ahead on ten meters.

73, Ray, KE5OX

Our heartfelt thanks and gratitude are extended to Carl Schoen, W4NJS, who for health reasons has had to resign as DX Area Manager for 10-10 International. Carl has done an outstanding job in a very difficult volunteer assignment.

Add to this, a special thanks for passing along, to the editor, all of those great DX photos which we have all enjoyed so much. We hope to keep in touch with Carl and the Old North State Chapter when conditions improve.

In a letter received from Alan Sherman, K1AS, Countries Award Chairman, he explains that because of the change of endorsement policy he has had a myriad of problems procuring the even numbered endorsement stickers. He will, however, continue to duly record and report all of these achievements. [de K1AS]

In the photo at the Right, you see our old friend Bob, WØRWC, at the operating position of his station. Bob is one of the most active of all 10-10 members and is number three on the Top-Ten list. If you are a relatively new member and have not yet worked him, listen for WØRWC in Clinton, Iowa. He would appreciate the contact.

CONNIE'S LETTER

CONNIE HAUCK, K6EXQ
No. 19681
CHAPTER COORDINATOR

I, like Howard/W6QIR, had to go out and invest in a new machine and it is so very different from my old one except that it cannot spell either. Will be glad when one comes along that can spell the way that I do. Know that I will enjoy it when I use it more.

I am delighted with the special events, upgrades and other things that you are doing to keep interest going while things are not as good as we would like them to be. If you would remember to send me things concerning your chapter and pictures to W6PGM. In talking to Jim/W6PGM, he mentioned that often he received several full page notices of contests and he almost never has that much room. If you would please keep your info to a couple of paragraphs, Jim would be glad to use your info.

Remember to check the band often and call CQ. Many times the 10-10 net will start off slow but then people will be turning the dial and there is a signal. Maybe there would be others if we all talked more.

When you are working up your requirements, please consider band conditions. To require a lot of FS,C, DX or even several states is very hard to do. If you happen to have C's in several different areas, then we all have a fair chance but if they are all located in the general area of the chapter, it is impossible for most of us to get the needed contacts. To require net checkins is even more difficult. You are of course free to make your own rules but the name of the game is fun and you might ask yourself if you were not in the immediate area, would it be fun for you to work for your upgrade? I especially want to thank those of you who continue to keep the cost at SASE. It is so much appreciated by us all.

It is time to give some serious thought to Dayton again. If you are going get your reservations in early. I plan to go and do have reservations. So many people who did not go last year have written that they will be going so I just had to go. I am sure that the same thing will happen next year and the next. I had wanted to have some information from KB9IU about the dinner for the Paper Chasers but it did not work out for us. Last time Max had the room reserved and many more showed up than had made a reservation. Everything worked out fine but it would be great to have a head count as soon as possible.

A note from Jack Small,ZL1KQ, from the Down Under chapter told of the heart attack that Gordon/ZL1HW suffered. Gordon had assumed the position of CH about 5 months ago due to the death of the previous CH. Gordon will certainly be missed because he was so very active on 10.

A letter from Bob Wille/KB5PJ asked that each chapter please send him complete info on your chapter net times including a summer and winter time. If this could be done in zulu time it would help. When a mistake is made and I am told, I do make the announcement but it may not always be picked up so please drop Bob a note to 804 Colleyville Ter Colleyville, Texas 76034.

You will read in Chapter Chatter about the meeting of "paper chasers" in Reno in Sept. It was at this meeting that the Paper Dolls & Reno Folly certificates came about. Bea/K7CZQ asked me to let you know that logs for the Paper Doll QSO party in Feb. will be received until April first so that our DX stations will have enough time to send theirs in.

I have tried to contact the Space Shuttle chapter at several different addresses but the mail is all returned. I am sorry if you have lost money by ordering a certificate and having your check cashed and no certificate but I am not able to contact anyone. I am also unable to contact Michael/G4CLK from The Tower of London. I have asked several of the G stations and no one knows about him and he has not renewed his 10-10 dues. I am deeply grateful to Peggy/G4MAE & Bob/G4KNJ for their help in trying to get the TL numbers out but Michael did not accept their help. I have had mail returned from his PO Box. It is very seldom that we have this come up in a chapter so let us forget the sour apples in the barrel and remember the great peaches out there who go to great trouble to see that everything is in order and out on time.

Noticed that I forgot to give you the info on the Paper Doll QSO party. It will start Feb. 15 to March 2 at 0100. A plaque will be awarded to the 3 top scorers. Send your contacts listed in numerical order to K7CZQ by the first of April. The net meets on Sat. 1600Z on 28.433.

Last time I suggested that some of you consider moving your net to the lower part of the band. This is to be done in the same way that you get your first frequency assignment and that is by contacting me to make sure that the frequency is available. PLEASE do check with me if you want to change frequency or time. Makes it a lot easier. I do want to thank Pete of the Niantic Bay who moved their Friday net when he realized that it was causing some problems with the Brooklyn Bridge net. Most of the time problems are handled in that manner.

The Closed 10-10 contest did not have too many people taking part. Three districts had no logs sent in. Following is a list of those who did send in logs. One log was not counted as it was Oscar contacts, no 10-10 numbers exchanged, no calls given.

KALCAD	16/26*	W4EHN	9/17	WD0BXU	23/27*

WB3IFE	3/6	KB7LC	19/20	PT7ZBC	57/72*

Many thanks to all of you who did send logs in and I hope that next year there will be more of you and I hope that I will be able to join you. I now have a great antenna set-up, my rig has been gone over so that I am heard and hear so I am just waiting for the band to decide to behave and give us some good solid signals for a long time.

Keep up the good work with your nets and certificates. There is much to interest us and I am sure that other things will be announced. Just remember the time that it takes to get information in the News and plan accordingly. Remember too that Jim Beswick/W4YHF is still publishing his certificate guide. Jim will list coming events and also the Niantic Bay said that they will be glad to include the info in their mailings. It is always good to send the info to a few key people to be passed out on nets.

I wish for all of you a good year and much happiness in 1985.

CHAPTER CHATTER

CONNIE HAUCK, K6EXQ
No. 19681
CHAPTER COORDINATOR

CASTLE CRAIG(KTIV): Note that we have a new chapter head. Had a very successful Scout Jamboree on the air activity. In the final states of our new certificate before it goes to the printer. NIANTIC BAY(KA1JJK): We encourage CW operation & often call CQ on 28.150. Usually monitor 28.850 but our Friday new is on 28.855 2330 UTC winter. Other nets are Wed. 28.150 2330 UTC & Sat. 28.850 2000 UTC. During the first month we had 107 members. MASS. MINUTE MAN(W1FFT): Glad to report that Earl/W1NC, first district manager is improving and looking forward to getting on the air.

HUDSON VALLEY HAMSTERS (W2HES) Chapter head a little under the weather so Robin/WB2ZSO sent in the report. Bonus point period Oct. 27 to Nov. 27 was a success & we now have 163 members with 38 PS. LIARS(WB2MAN): In conjunction with WA2SUH, we give 10-10 renewals to stations whose call shows up most of new 10-10 applications. Locals who check in 75 times to the LIARS Net get 10 pts. upgrade & 5 pts. for each additional 25 checkins. Liars newsletter is now the Metro News covering the 6 Metro chapters & is available to all 10-10ers for \$2 to WB2MAN. Don't forget the 2 land QSO party. LINDBERG(WB2ZSW): To help out the poor band conditions have made some wild cards that can be used in place of the 2C-L-HC. It is not an IQ (still need ten contacts). A WC can also be used as a FS for the Lone Eagle. No limit on WC's for this. STATEN ISLANDER(KA2AAY): Announcing the "Alphabet Soup Award". The letter immediately following in the call is the number to use. Example: KA2AAY use the A, N2BU wpu;d be the B; Is available to all who have basic Staten Islander certificate who subsequent to 12/1/84 work the alphabet. Send log info containing call, name, qth, 10-10# & SI# along with your name, call, qth, 10-10#, SI# & \$2 to N2CBU. TROTTERS & PACERS(K2HLC): Starting the Raceway Award. Begins 12-1-84, collect 500 basic T&P points as follows C-5, HC/DX-4, PS-3, L/2 C-1 plus Winners Certificate holders are an additional 10 points. Log info & SASE to WB2KEL for no. & unique worksheet for upgrading.

CRAZY-EIGHT(KA3AVB): KA3BTH/Aggie won the Nov. QSO party. Small band opening so that we could work the west coast & our 2L member. FORT MCHENRY(W3DCN): N4JGQ/Dave won the first Royland award. Thanks for his outstanding effort for the chapter in 1984. Wed. at 8PM EST on 28.130 we have a CW net (any speed) N3BGY is NCS.

CHATTANOOGA CHOO-CHOO(NR4R): Jan. 1, 1985 work for the Choo-Choo Belles certificate. All contacts retro Have basic Choo-Choo # & work 15 Choo-Choo yl's. \$2+2FCS to NR4R. Basic Choo-Choo # only SASE to W4UIQ. CRADLE of CONFEDERACY(W4PLI): Would like to see our net info appear correct. It is Wed. 8:00 M CST 28.772. MASON-DIXON(WA3SRE): Work a YL/OM team from each call area with an MD #. Adds 5 pts to your total. Starts 12/20/84. SASE +1FCS to CM. OLD DOMINION(WB4UOI): Two SK's tp report. Luke Herndon/K4QQ #9258. He was OD #1. For many years Luke was radio operator aboard ships. During WW2 he was an operator on tankers. Hubert L. Martz/W4WZT#20938 was a great rag chewer with friends all over the world. They will both be sadly missed. TREASURE COAST(K4KAH): Don't like chapters taking advantage of the 10-10 net.

BILLY the KID(KE5OX): Super Shootout Contest winners were: KD6JC, WD6DFB, KA4UEM, WA5EXY, N1CTD, WB2LLH & KA4HOY. Congrats to Helen ex-KE5OE who upgraded to extra & is now NS5T. BLUE BONNET(WA5JDU): Fuzzy/W5FZN#9167 became a SK & will be missed by all BB members. OUTLAWS on TEN(N5CNH): Also look for us on 28.444. Had TR8DM from Gabon check in. He has a 10-10 #. REPUBLIC of TEXAS(KJ5L): New CM is Dave Hyde/KD5EE 10784 Morning Glory Dr. Dallas, Tx., 75229. RXT #2000 is coming up & will be a special plaque. Listen for

thr RTX group at 1400Z Sat. 28.560.

BAY AREA(W6ANK): A new series of awards to commemorate Golden Anniversary of completion of the Golden Gate Bridge. Only contacts between 5/31/84 & 5/31/87 count. The Dumbarton requires 50 BAY Area members 10 of whom are locals. \$1 +2FCS to Jack Ruckman/WB6IJY 1695 Ebbets Dr., Campbell, Ca. 95008. Provide BA member without cert., call, 10-10 # & date of contact. Those with BA cert. give that, call & date. Jack is CM for this certificate only. CHANNEL ISLANDS(KW6H): Present cert. QRT. Looking for an artist to help design a new one. Any help? NORWAKL KEYSTONE(KD6JC): Celebrated 2nd Anniv. with a picnic in Sept. Many people worked hard to make it a success. Wayne/WA6KFT was at the registration table, Louise/N6ELK who worked many months to collect lot of good prizes was sorting them out. Radio stores, other merchants as well as members gave us prizes & don't beleive any body went home without at least one prize. Kathy/KA4UEM & Alden/WD4AQK took a 10 meter beam on the plane back to Ga. KS6A/Eric from Oceanside took many nice pictures. New badge program going great. Bob/N6DWE did a great job on the certificate & thanks for your comments. Patrolman Badge contacts after 1/1/84 need 100 KS contacts with issue date SASE to CM. Sgt. Badge, 25 Pat. Badges +2FCS. QRP(W6IRT): Monitor 28.888 for code practice 24 hrs per day from a QRP station. RIVER CITY(WD6DFB): Reno Folly V.I.P. 2-10-85 or when you receive the Winter News. Every R. cert. holder has been assigned a # 1 thru 6. Since it takes 2 dice to play craps, you must work R.F. #'s in pairs. Work 3 pair(6)RF certificate holders, send their call & RF # to KB6AN & take your chance. You get the best of 3 rools. SASE. The RF will be in Reno Sept. 12,13,14 & 15. Sat. 14 will be the get together. KB6AN & KB6YX will be staying at the Circus Circus. K7CZQ among others will be there. If you are interested in something like this for nothing but paper chasers meeting great. Make your own room reservations. Let KB6AN know if you are coming and where you will be staying. SMOG(W6TYV): New time 1900Z Sat. 28.785. Join us.

CHIEF SEATTLE(KA7A): Bob has agreed to be the new CH with Clarence/W7JNB asst. ch & NCS. For now we have basic certificate only \$1+2FCS/ Save numbers for later awards. GOLDEN SPIKE(W7ZKL): We no longer have a net Thur but look for us on Sun. 2100Z 28.875. LILAC CITY(W7LBK): Continue meetings in homes with good attendance. Have 15-20 with wives included. Our Sat. net 10AM local time is on 28.390. NORTHERN NEVADA(W7ABX): Have made some V&T HC's to be used in place of V & T charters to make the certificate a little easier to get.

CINN. AREA TEN TUNERS(W8PJY): Planning another QSO Party March 9-10. Dave/KJ8V will be contest co-ordinator. Dayton Hamvention will be April 26,27,28 with a 10-10 forum. We will have Connie/K6EXQ with us again this year. CROSSROADS VILLAGE& MID LID(KG8S): We are sorry to report that Don/KG8X is a SK. Don was CM for Mid Lid & Parrots. He was an avid paper chaser and will be missed by many. GREAT LAKES(W8HIU): We have increased our checkins by 10-10 talk on 2 meters. MICH. WATER WONDERLAND(WB8WVF): New "Piker" award for 5 pts. Work 5 other Pikers & check into any Mich. net 10 times for at least 10 min. Log info & SASE to Bob Macauley 1964 Wickham Royal Oak, Mich. 48073. Net meets Wed. 7PM EST 28.850.

BLACKHAWK VALLEY(N9CCH): Chuck is new CH after having served as NCS for 2 yrs. During 1984 checkins have increased and we look forward to more activity. LAND O LINCOLN(W7EDT): Changed our Sun net to Mon. 0100 GMT on 28.650. Thur. net same time & freq. is a swap net. Anyone is welcome to check in. Sen. Dirksen(K9EPH): Work any IQ for the award.

COLORADO CENTENNIAL(NØCKW): Temporay inactive because CH has moved. Awards program is still going. SKY BLUE WATERS(KCØGP): Joe/NØFPY #33036 is a SK. Soon to announce a new program to run parrale line of upgrading. Will still have contacts for 10,000 Lakes & 2-1-85 have a pt. upgrade. WAR EAGLE (KDØTG): CH has upgraded to advance. Sioux City has a 10 meter FM repeter in progress.

LAKE GENEVA(HB9OP): As was mentioned in Fall 84 NEWS, Dex was in Spain during Oct but as far as 10-10 was concerned the trip was a fizzle. The Spanish hams were great & had a special call station, ED7ITU, all set up for the ITU delegates to use but the only contact was with Australia & he had no 10-10 #. Please try us at 1500 UTC on week-ends on 28.850 MHz also on the CW calling frequencies 28.050 on the hour and 28.150 on the half hour. MAD SWINGERS SOCIETY(SM4JWI): We have a new HM in Ca. W6DU/Eric in Los Altos. Look for him. Every Sun. we are on 28.810 at 1500Z but usually only short skip. We have 131 members including 15 charters, 21 countries & 29 states in the USA. Hope for better conditions. NORTH SEAS(ON5AB): Jack, ON5AB, the CH. was home for a vacation and then back to Amman, Jordan for another year. Jack is with the Red Cross. Rolf/ON7MX takes over when Jack is out of the country. PENDLE WITCH(?) We all are saddened at the loss of our CH Joe/G4JS. Joe had many friends all over the world and will be missed by all. Not sure who will be CH but we will continue. RHONE-ALPES(F6CSK): CM & vice CH is Paul Bassiri/F6CXB #28668. QTH is 112 Ter Rue Frederic FAYS F69100 VILLEUABANNE, France. Basic certificate is \$4. F6CXB trying hard to get a license to operate 10 meters in Tunisia. Has flown to Tunis several times but no luck. Any one with an idea? SCARBORO BLUFFS(VE3RG): Now that US hams can go to 28.3 why not look for us at 28.4 on Sun. at 1800Z. A new upgrade when the band improves. VK4 GOLD COAST(VK4VAS): Pleased to have heard some state side stations lately & hope that conditions will continue to improve.

Also reporting were the following. NOR'EASTER(WLZQR), SO. NOTE See page 2 and page 31 for additional important information.

10-10 INFORMATION

How to become a Ten-Ten Member

Work 10 present members on 10 meters. Log each 10-10 number, call sign, date worked, op's name, location. Send list to your Call Sign Area Manager, with \$1 Registration Fee, \$4 for first years dues (foreign \$5, U.S.). Novices, foreign applicants need work only 5 present members; novices pay no Registration Fee. You will receive a Certificate, and be assigned a permanent 10-10 Number. You must pay annual dues to remain in good standing, receive the News, and participate fully in all activities.

How to earn Bars and Plaques

Log the 10-10 numbers of stations you work on 10 meters, all bona-fide number exchanges on the air. Then list 100, no more, no less, no duplicates, thus:

1. List in serial order of 10-10 numbers. Show call, handle and location.
2. Submit only one list of 100 at a time.
3. Log books or copies of log book pages are not acceptable.
4. Give your name, address, call sign, 10-10 number, and state which Bar you are requesting (i.e., 100 Bar, 200 Bar etc.)
5. Enclose a large size SASE (20¢ First Class).
6. Mail as follows: 100-900 Bars, Willie E. Madison, WB7VZI, 10512 W. Butler Dr., Peoria, AZ 85345. 1000 Bar and up, Charles L. Busby, KC5FX, 4621 Catchin Drive, Fort Worth, TX 76118.

With your 500 Bar comes an honorary V.P. Number, and other activities. A 500 Certificate costs \$1. Plaques are awarded for 1000, 2500 and 5000 contacts, and cost \$3 each plus 37¢ postage. Make checks payable to 10-10 Int'l Net, Inc. Please do not send cash.

How to earn WAS

After working and getting QSL card confirmation on one 10-10 member in each of 50 states, prepare an alphabetical list by states with full data on each contact. Mail cards and list to Susan Brackeen, KALCAD, P.O. Box 7081, Johnston, RI 02919. U. S., Canadian, Mexican members send \$2.42, U.S. funds, for certificate cost and return postage. Overseas members may save about half the postage cost by sending non-returnable copies of QSL cards (Fax, Xerox, etc.). More than one card per sheet is OK, but all required information must appear, including 10-10 number. Show both sides of card only if necessary for complete information. Also include alphabetic list of states with full information on each contact, your own complete information, including 10-10 number, and \$2.60 U.S. funds for cost of certificate and return postage. Address application to KALCAD, as shown above. Please do not send cash.

Countries Award

The Countries Award is given for confirmation (QSL's) of QSO's exchanging 10-10 numbers with members in 25 or more countries. Cost is \$5.00, U.S. funds. For complete rules and application form, send business size (#10) SASE to Alan Sherman, KLAS, RR4, Box 422, Danielson, CT 06239, U.S.A.

Make any checks payable to 10-10 International Net, Inc. DO NOT SEND CASH. Canadian, Australian and New Zealand applicants are reminded that dollar amounts quoted are U. S. dollars. Your bank can tell you how much to send in your own currency to make up the required amount in U. S. funds.

Award applicants must show proof of paid-up 10-10 membership by enclosing Xerox or similar copy of current membership card or address label from a recent issue of the 10-10 News.

FROM THE DESK OF...

Jim Michaels
W6PGM 10-10#10

The election of officers was held at the November business meeting and I would like to congratulate the following: Howard Bowman, W6QIR, President; Norm Lefcourt, W6IRT, Vice-President; Bob Hartley, W6WPY, Secretary and Gerry Gross, WA6POZ, Treasurer. As you can see, we will have an extremely knowledgeable and experienced corps of officers in 1985, '86.

On behalf of all 10-10 members, I thank the officers who have just completed their terms of office and congratulate them on a job well done: Carl Winter, W6OAW, President; Jim Cass, AA6K, Vice-President; George Joy, WB6SYJ, Secretary.

Welcome to Carol Hugentober, K8DHK, #29588 of Cincinnati, OH who has been appointed as our new DX Area Manager. She is listed on page 2 under officials and on the Managers page 31 you will find her address.

Because of space limitations and some minor problems, the results of the Fall 1984 10-10 CW QSO Party will appear in the next issue of the NEWS which will be the Spring 1985 issue.

From Rich Levy, WB2MAN, a new 10 meter beacon to check and add to your list is PY2GOB, Box 22, Sao Paulo, Brazil. The frequency is 28.0505 Mhz.

Vy 73,

Jim Michaels, W6PGM #10
Editor 10-10 NEWS
