Words from the President

HOWARD BOWMAN

W6QIR #4509

OVER THE YEARS, 10-10 HAS NEITHER ENCOURAGED OR DISCOURAGED multi-year memberships. From time to time, members have concluded that trying to remember to renew each year gets to be an iffy proposition, and renew for several years all at one fell swoop. My own expiration date is 0688, so I imagine I sent W6ANK a check for three years' dues last time I renewed. However, this can lead to problems. Recently, a member sent in a check which would have carried his membership well over into the next century. It could not be accepted. There just wasn't any way in which existing computer programming could handle it.

At its last meeting, in mid-August, the Board of Directors reviewed the problem and came to the conclusion that 10-10 should not accept renewals for more than five years. It wasn't just a matter of computer programming, either. The Directors have no crystal balls, and know of no way in which 10-10's operating costs can be predicted. It was deemed expedient to provide some time during which the computer problems may be resolved and we will have a better handle on costs, hence the five year limitation. Just so you won't bug me about it, let me say that a ten year limitation was considered and discarded. That would carry us to 1996, which is just getting too close to the crucial dates, which are 1999 and 2000.

In connection with this decision, all District Managers have been alerted and are prepared to handle the situation. Who knows, maybe a lot of you will elect to re-up for five years. And, by the way, don't get the idea that you can send in for a five year renewal now, and another one next year. It won't be accepted.

CHUCK IMSANDE, WHO WRITES A COLUMN ON 10-10 FOR WORLD RADIO called me to ask about W6OI. W6OI is the call sign of the late Jim Paine, who held 10-10 No. 109. That low a number indicates that Jim was one of the "founding fathers" of 10-10. He was also 10-10's Treasurer and Recording Secretary for a good many years. His name and call sign were printed on my earliest membership card, dated May 12, 1972 -- not just stamped or hand-written, and so it was up to 1977, when Jim passed away.

That call sign, W6OI, is now issued to 10-10, with Morrie Goldman, W6EHM, as trustee. It is available for use at 10-10 special event stations upon application to Morrie. It hasn't been used for some time -- band conditions have precluded many operations -- but it is available.

A PART OF THE INTERNATIONAL 500 OF THE WORLD IS THE LUCKY 13. For some years it has been administered by Mark Morris, KØWZX. For personal reasons, Mark has found it necessary to pass this job on to someone else, and that 'someone' will be Bobbie Vaughan, WB7NUU, who already administers the Bar program up through the 900 Bar. Since it is Bobbie who hands out the 500 Bars, the assignment is a natural. It is attainment of the 500 Bar that gets you an Honorary VP number and makes you eligible for activities for the VP's. Mark has done a fine job and deserves everyone's thanks, especially mine. Incidentally, Grace Dunlap, K5MRU, who is 5th District Manager, is also President of the International 500 of The World, which was founded by the late Frank Orcutt, W4JO, who, for many years, was 10-10 Awards Manager. That was when 10-10 was a small organization. Now the awards are managed by half a dozen people.

ONE OF THE THINGS THAT INTRIGUES ME MOST ABOUT 10-10 is the diversity of interests among its members. There are those who are mostly interested in working new numbers so as to

get Bars, those who are into the Honorary V. P. activities, the QRP addicts, and those whose main interest is paper chasing, plus many other interests. Among the paper chasers there are those who believe that all is lost and life isn't worth living unless they have a 100% correct absolutely up-to-date list of 10-10 numbers and the call signs associated with them. They complain that the 10-10 Roster is "obsolete" when published (true), and believe that they should be able to obtain quarterly updates of the numbers issued. The fact that such updates are themselves "obsolete" for the same reason that applies to the Roster doesn't bother them.

The late Jack Smothers, KD7XI, published such a quarterly update, and his records were taken over by Gary Ward, KD7UZ. However, Gary has now withdrawn from that activity and has refunded any money sent for subscriptions to the service. Quarterly updates are still available from "Corky" Cochran, W3FQN. Corky puts the info into his computer, makes a copy, and can provide the data on an 8½" x 11" sheet. To get it, send him a business size SASE and tell him in a covering note just what it is you want. Remember, by the time you read this there will be two quarters of updates. If you want the copy flat it will cost you more - 39¢ plus a nickel for the envelope. For those whose bifocals don't quite do the trick, Corky also has an expanded type version for the 39 + 5 rate. In both cases, the 5¢ should be in stamps, which will save Corky some trips to the post office. The printout you receive will not list SK's, which are elsewhere in the News anyhow, but will have an indicator for call sign changes. Corky's address is 4221 Harcourt Road, Baltimore, MD 21214.

OVERSEAS MEMBERS CONTINUE TO HAVE PROBLEMS with paying their dues. Carol Hugentober, K8DHK, says that most manage to send cash, despite the hazards. Treasurer Gerry Gross tells one horror story of a member sending a check which still hadn't gone through the mill when that same member sent another check for the next year's dues! ARRL says, "Foreign remittances should be by international postal or express money order or bank draft negotiable in the US and for an equivalent amount in US funds." (QST, p. 3, any recent issue). A few members send IRC's, which are redeemable for 37¢ each in stamps. As you can see, it gets complicated. Carol says she gets more cash than anything, and that some chaps behind the Iron Curtain send mint stamps in payment. Happily, Carol and OM John (N8FU) are stamp collectors, so they buy them for their collection. Carol says that the cash is easiest to handle - a lot easier than some of the 'funky' checks she gets and has to pass along to Gerry.

BACK A COUPLE OF PARAGRAPHS I WAS WRITING ABOUT aid for distressed paper chasers. There is another item which, in my judgment, is more important than a Roster update, and that is Jim Beswick's "10-X Certificate Guide." It contains everything you ever wanted to know about 10-10 and chapter awards and certificates. Jim hasn't sent me any up-to-date pricing information, but you can get that from him directly for an SASE.

Main reason for the importance of what Jim does is that there is just a whale of a lot of misinformation floating around on the band, even misinformation about as simple a thing as becoming a member of 10-10. Anyhow, if you want to know about Jim's Guide, his address is as follows: Jim Beswick, W4YHF, Rt. 5, Box 77B, Ellijay, GA 30540.

YOU MAY HAVE NOTICED THAT, FROM TIME TO TIME, this journal publishes a 10-10 Net Guide. It is laid out by days of the week, and tries to list the various chapters that have nets on each day, showing times and frequencies. These days it has a high level of inaccuracy. Reason: net officers aren't reporting changes and deletions to Bob Wille, NZ5E, who puts it together. If Bob doesn't get the correct dope, he can't put it in the Guide. Simple as that. Connie Hauck has promised to put a reminder in her next letter to Chapter Heads, and I hope they take heed. Bob's address is 804 Colleyville Ter., Colleyville, TX 76034

A WEEK BEFORE COPY DEADLINE FOR THIS JOURNAL, the ARRL National Convention was held in San Diego. We were there, along with dozens of other ten-tenners. Traffic at the booth was heavy, and we did a land-office business in renewals and Rosters. Our deepest thanks go to Dick Gird, K6PZE, who was our man on the spot in San Diego, handling all preliminary arrangements, getting things set up, going out to get some printing done when we ran out of application forms on the first day, and otherwise doing a great all-around job. Our thanks also to the dozen or so others who rallied around to man (and woman) the booth in shifts, so that we had complete coverage from opening to closing. And, while I am at it, I can't forget the other groups around the country who represent 10-10 at hamfests and conventions. They do a great job, and, if your chapter intends to represent 10-10 at such an event, Supply Manager Jim Forsyth, AF60, has a convention packet you can get.

I'VE REPORTED BEFORE ON THESE PAGES THAT MY LOCATION is about four miles from the Pacific Ocean, and about 60 feet above sea level. When the band is in good shape, I have trouble checking in on the daily net because my signal is overwhelmed by those coming from east of the Rockies. That has meant I had to rely on a relay, and one of the most reliable was Frank Cembruch, KA4DDY, No. 26110, in Clearwater, Florida. On the first daily net after we got home from San Diego, Connie Hauck, K6EXQ, brought us the distressing news that Frank had become a Silent Key. I never did get a chance to thank him for all the favors he had done for me, and I regret that. 73, Frank, and thanks.

MANAGERS WHO HANDLE AWARDS CONTINUE TO HAVE PROBLEMS, mostly because people don't take the time to read the rules. Some months back I had a large envelope delivered to me. It was from a member who was in high dudgeon because he had submitted data for a Bar award and it was rejected because he didn't send proof of paid-up membership. He was so upset that he sent me everything connected with 10-10 - membership card and certificate, chapter award certificates, and everything else he could think of. One chap applied for his first five 100 Bars all at once so he could get a 500 Bar and a VP Number. He followed almost none of the rules.

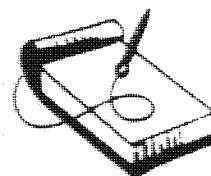

Look at it this way. Those managers are volunteers who sacrifice lots of operating time so they can help you. Give them a break. Follow the rules. Enclose an SASE and help 10-10 save on postage. Be sure you also enclose proof of paid-up membership (a copy of your current membership card or of the News address label will do), so that we will know you are not free-loading on that membership you took out ten years ago and have never renewed since. Just a few weeks ago, I applied to Chuck Imsande, W6YLJ, for the new WAC Certificate, and I had to enclose a copy for proof. If I can't get away with leaving it out, neither can you. Be a good sport -- follow the rules, no matter which 10-10 award you are applying for.

ELSEWHERE IN THIS ISSUE, YOU WILL FIND AN ANNOUNCEMENT of a 10-10 International Convention, which is being sponsored by the Red River Valley Chapter, the Shreveport Amateur Radio Association, and the Shreveport-Bossier Convention and Tourist Bureau. It is scheduled to be held in Shreveport, Louisiana on August 8 and 9 of 1987. Its dates do not conflict with those planned for the Reno, Nevada meeting of paper chasers.

That convention plan brings up a larger question, which is, should 10-10 have an annual convention of its own? In a large city or a middle-sized city? Which local chapters would like to sponsor such a convention in, say, 1988? We here have no way of knowing your feelings about such matters unless you tell us. The Shreveport group has taken the bull by the horns in this one. Write me and let me know your wishes. My address is 5872 W. 77 Place, Los Angeles, CA 90045.

SUBJECT: MEETING OF BOARD OF DIRECTORS
DATE: AUGUST 13, 1986
LOCATION: W6QIR QTH, LOS ANGELES, CA

SUBJECT MEETING WAS CALLED BY THE PRESIDENT (W6QIR) TO DISCUSS ITEMS PERTINENT TO THE OPERATION OF THE ORGANIZATION. DIRECTORS IN ATTENDANCE INCLUDED: PRESIDENT (W6QIR), VICE-PRESIDENT (W6IRT), TREASURER (WA6POZ), RECORDING SECRETARY (W6WPY), DIRECTORS W6EHM, W6AGP, & W6DAW. IN ADDITION, 10-10 NEWS EDITOR, JIM MICHAELS (W6PGM) WAS INVITED TO ATTEND.

DISCUSSION ITEMS:

1) CANDIDATES FOR ELECTIVE OFFICE:

DISPOSITION: AFTER REPEATED REQUESTS (VIA 10-10 NEWS AND VARIOUS MTGS) FOR MEMBERS TO SUBMIT NAMES FOR THIS NOVEMBERS ELECTION OF OFFICERS, PRESIDENT, VICE-PRESIDENT, TREASURER, & RECORDING SECRETARY, NONE HAVE BEEN RECEIVED BY THE PRESIDENT TO DATE. AN EXCEPTION TO THIS IS THE CURRENT TREASURER (WA6POZ) AGREEING TO ACCEPT ANOTHER TERM AS TREASURER AND THE CURRENT RECORDING SECRETARY DECLINING TO BE CANDIDATE FOR OFFICE OF SECRETARY. ONE PERSON HAS VOLUNTEERED FOR THE SECRETARY OFFICE POSITION, HOWEVER.

2) CANDIDATES FOR BOARD OF DIRECTORS:

DISPOSITION: PER LATEST 10-10 BY-LAWS (JAN 1, 1981), A COPY OF WHICH WAS PRINTED IN THE WINTER, 1983 ISSUE OF THE 10-10 INTERNATIONAL NEWS, THE BOARD SHALL CONSIST OF EIGHT MEMBERS. FOUR OF THESE SHALL BE THE ELECTED OFFICERS AS DESCRIBED ABOVE (ITEM 1). THE IMMEDIATE PAST PRESIDENT SHALL BE A MEMBER, EX-OFFICIO. THREE MEMBERS SHALL BE APPOINTED BY THE PRESIDENT, WITH THE APPROVAL OF THE MAJORITY VOTE OF THE MEMBERS PRESENT AT ANNUAL BUSINESS MEETING. AS THE TERM OF OFFICE OF APPOINTED DIRECTORS DO NOT RUN CONCURRENT, TWO DIRECTORS SHALL BE APPOINTED AT THE NOVEMBER BUSINESS MEETING.

3) REPLACEMENT OF CURRENT 10-10 NEWS EDITOR JIM MICHAELS (W6PGM):

DISPOSITION: WHEN JIM TOOK ON THE ASSIGNMENT AS EDITOR OF SPRING '82 ISSUE OF 10-10 NEWS, IT WAS WITH THE UNDERSTANDING THAT IT WOULD BE FOR A TEMPORARY PERIOD ONLY. AFTER A REVIEW OF CANDIDATES, THE DIRECTORS DECIDED TO PROCEED WITH JOE WILLIAMS, WA9TSG, 10X #00310. W6PGM HAS BEEN IN CONTACT WITH JOE TO AFFECT AN ORDERLY TRANSFER OF RESPONSIBILITIES. JIM WILL PREPARE HIS FINAL PUBLICATION AS EDITOR WITH THE FALL 1986 ISSUE OF THE 10-10 NEWS. THE BOARD OF DIRECTORS APPLAUDED JIM FOR HIS DEDICATED AND OUTSTANDING WORK AS EDITOR.

4) REQUEST FOR PUBLICATION OF ROSTER UPDATES IN THE 10-10 NEWS:

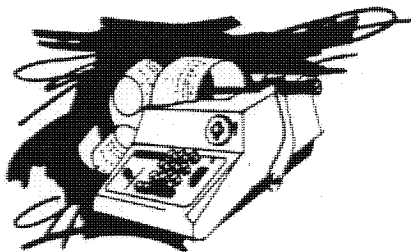

DISPOSITION: THE BOARD OF DIRECTORS DECIDED IT WOULD NOT BE COST EFFECTIVE TO INCLUDE QUARTERLY UPDATES IN THE 10-10 NEWS FOR ROSTER UPDATE PURPOSE. AN ANNUAL ISSUE OF UPDATED ROSTER IS STILL CONTINGENT UPON SALES OF CURRENT ROSTER PRINTINGS.

5) MAXIMUM ALLOWABLE YEARS OF MEMBERSHIP PREPAID:

DISPOSITION: IT WAS DECIDED THAT 10-10 CANNOT ACCEPT MULTI-YEAR MEMBERSHIPS (OR MEMBERSHIP RENEWALS) FOR ANY PERIOD GREATER THAN FIVE YEARS. THIS DECISION WAS BASED PRIMARILY THAT NO ONE IS ABLE TO PREDICT WHAT 10-10'S OPERATING EXPENSES ARE LIKELY TO BE BEYOND THAT TIME.

RESPECTIVELY SUBMITTED, RECORDING SECRETARY: R.O. HARTLEY

Rob, W6WPY

We are all saddened by the news of the passing of Frank Cembruch, KA4DDY #26110. He was one of the most active of all 10-10 members. Frank was Chapter Head of the Suncoast Chapter (FL) and put out that beautiful big signal from Clearwater, FL. His favorite past time, on ten was collecting VP numbers. His total was over 1000 at the most recent report. Frank's wife's name is Betty and his son is Jon, WB4JEM, who was responsible for getting Frank started in ham radio.

We regret the omission of NN2B chapter log for the Trotters and Pacers in the Winter Phone QSO Party.

He rightfully wanted his chapter represented, QSO..52..PTS..102 our apologies for the error Jack.

Although band conditions were better for the Summer QSO Party, we had fewer logs submitted than for the Winter one.

Evidently people were away on vacations, or were discouraged by the lack of propagation we had for the summer.

There were a total of 580 logs submitted, with the points and contacts much higher than for the one we had in Summer, showing that band conditions at the time of the contest were better.

Was gratified in the increase of DX entry's and hope things will continue to improve for the contests to come.

73 K6HHN Scoring chairman.

Special thanks to Al Lafky K7YY, and Lee Pasewalk WB6MGM, who forwarded the logs, sent in by contestants, who did not pay attention to where their logs were to be sent.

There were quite a few of them, so pay attention every one, because each misdirected entry costs money.

August 9th and 10th were the dates for this years Ark La Tex Hamcom held every year in Shreveport, La., sponsored by Shreveport Amateur Radio Association (SARA). It was the second year that the Steamboat Chapter of Ten-Ten has put forth an effort to bring recognition to our organization.

This years effort was very successful. We had quite a few out of town guests, and our Forum on saturday was very well recieved. The Forum was MC'd by Mel, KD5DE, and the Forum itself was given by Jim, W4YHF. Jim did his usual fine job and everyone enjoyed his wit and humor. The Forum was attended by 56 amateurs and a few non-hams, many who came to see what this Ten-Ten fuss was all about! Many questions were asked and all were answered by Mel and Jim in a proper way. I believe that everyone went away with a better understanding of what Ten-Ten International is and where it is headed.

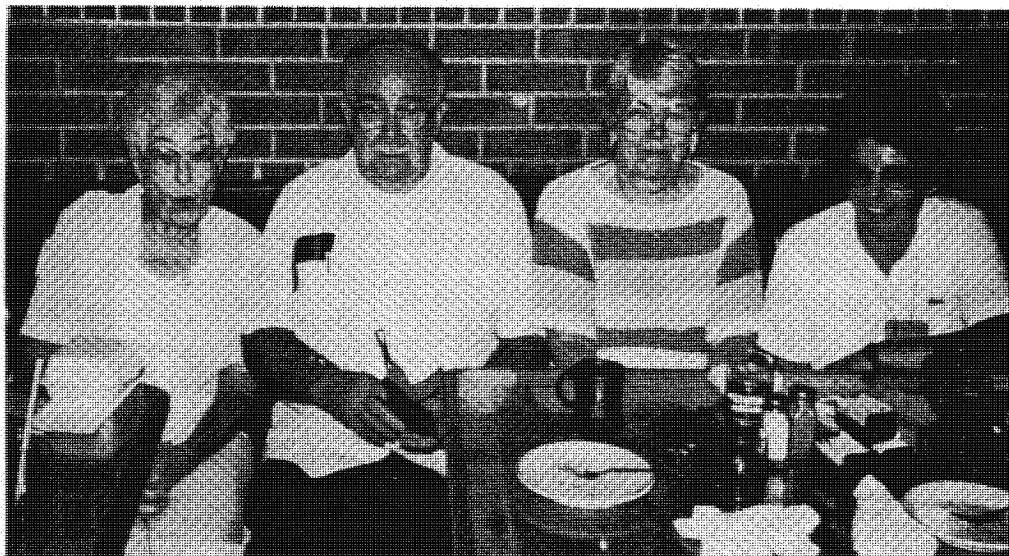

We had a mobile QSO party saturday night with all the out of town-ers participating and most of the active locals who were not worn absolutely out from all the efforts put out. We are blessed with a very active group here and they all did their best to make the Ham-fest enjoyable to all who attended.

Our Booth was a great success. We handed out lots of literature and answered all kinds of questions and even did well handling the little criticisms we got occasionally! The booth was of course the gathering point for all the Ten-Tenners and everyone had a grand time with the eyeball QSO's. We were set up smack dab in the middle of Dealer country and anyone who wandered through had to go right by us!

We had a luncheon Saturday at a local Restaraunt which features that good Louisiana Cuisine. The writer had Froglegs and they were hopping good!

CONNIE'S LETTER

CONNIE HAUCK, K6EXQ
No. 19681
CHAPTER COORDINATOR

This will be two letters in one. Last issue I had the letter ready but in the confusion in getting things ready and getting off to Fla. it was not put in the envelope to be mailed. As many of you know Lajos/HASDW has been on an extended visit in this country and he not being able to thank each of you who had befriended him asked me to put his letter here. First of all I have to tell you my special thanks for the very kind hospitality in Reno. Dick/NC6V took me up and Gary/KD7UZ paid for reservations, very nice guy. It has been a big pleasure for me to meet with the west coast-east coast ten tenners. I could learn a lot and use the experiences to make our chapter work better and better. As you know, we started Nov. of last year and have more than 150 members with 20FC and 29FS. The Landscape is getting very popular in the states. I had to fill out about 100 certificates. Our problem is that about 83% of our members are in the states and propagation is very bad the last 1-2 yearw. That's why I would like to ask new and old members to popularize the cert. if you like it. Thanks for the Keystone luncheon and picnic. And for all the members K6pZE/Dick and W6MI/AL in San Diego for the tour guide in the area. To W6PGM for the visit to the Queen Mary. To K86A/Eric for the Sea World tour and radio activity. Special thanks to NC6V/Dick for his time and the more than 1500 miles of transportation. Please put this in the News for me because I will never forget it.

God Bless 73,
Lajos/HASDW

I would like to add my thanks to this. Everyone put his/her best foot forward. We all enjoyed Louis so much. He added a sparkle every where he went. He was certainly a good representative for his country and chapter. Come back to see us soon. Louis took the exam and got an N6 call. How many of us could do that in another country?

Last issue I mentioned that I had received about 100 cards, letters phone calls and flowers as I was recovering from my stroke which kept me from Dayton. My heart was broken at not being able to be there. Phyllis and Gary Engleman sent me a picture which was great I got to see who was there and what they looked like. That was really thoughtful.

Reno was great a meeting room put the frosting on the cake. It didn't snow so Pete KALJUX made it and my health was good so I made the trip too. Pete was so busy making sure that everyone got a Reno seal and even gave out upgrades there, but he still had time to enjoy the good fellowship of those there. It was good to see W4ZAA and family from Miami and all of you between Fl. and Ct. 40 checked into the net on Saturday. there were some who didn't make it to the net. Reno is a fun town with something for everyone.

In June I had the opportunity to visit a sister near Orlando, Fl. A note to KA4OFG resulted in a lovely evening with the Cypress Chapter. Even though I have had their nice certificate a long time, I was presented with another one signed by each member who was there. It is something that I will always treasure. It was great to meet those that I have talked with and exchanged numbers and also some new ones that I had not talked with. There was no time for mobile contacts because the nightly rain came just before we were ready to leave. I look forward to going to another area and meeting another group.

At Reno some of the certificate managers said they would in the future they would accept applications through first class or air mail. Any express mail, telegrams or phone calls would be put in the next days mail. It is fun to get a first state but the world will not end if you don't so save your money and enjoy paper chasing. It is just for fun and not a life or death matter.

I am very grateful to Bea/K7CZQ and her OM Dick/K7BND for taking such good care of me in Reno. If they weren't there, someone had thought of my needs before I had. Thanks to all of you who were there with a helping hand when I needed it. You made my trip very enjoyable.

Those who missed this year mark your calendar for August 13-16, 1987.

When I made the list of active chapters Mruphy's Law got to me. I failed to list Murphy's Law as being active and they surely are. Susan called me on the phone and I promised I would correct it in the last issue but as you know I didn't get my letter to the editor and he couldn't read my mind so it was left out. Sorry about that. Had a note from Ortego 45 South in New Zealand reminding me that they are alive and growing. G3BKS/Jim wrote me that the Mancunium Chapter has revamped and has G3BSA as CM so they should be getting certificates out in a timely manner in the future. Sorry for those of you who may have had problems in the past. Glad to see them back because their certificates are so very pretty.

Glad to see new chapters coming aboard. There have been some grumblings about numbers which have been assigned some memebrrs. Remember this is all for fun. Take what you get and be happy, after all you didn't work for it and you were honored by having been remembered. My only comment is that I do feel that a FS should be earned and not given. This is not sour grapes because I have been given some FS. Everyone likes to have a FS. It is nice to be there first with the correct application and discouraging to find that someone who did nothing got it. Chapters are free to do as they desire about any number, but that is my feeling for what it is worth. We have some DX chapters coming aboard, do your best to support them. They have a harder time than we do in getting activity going. We complain about our postage, but talking with HASDW made us realize how much worse it is in some other countries. I know one chapter in Australia quit because of postage. For those who don't care to put a lot in one group of certificates, maybe they, the DX, could consider number only for the postage.

I am grateful to the following for charter numbers, Earthquake Country, God's Country, Steel City, Skipjack HC and Air Capital HM. They are all lovely certificates and are on my list. Also the HC from So. Tex. Lighthorse Brigade. Look forward to the band opening more so that I may upgrade each of them. W6IRT, VP of 10-10 has assured us that the worst is over and we are on the way up. Cypress Chapter did the same when I visited them in June. What a great group The Cypress Chapter is and what a lovely evening I had with them. Sorry it rained and everyone was interested in getting to cars unsoaked and I didn't get to say proper good byes. Hope Jim has gotten some of the pictures for this edition of the NEWS.

If you are thinking of going to Dayton in 87, it is time to start making plans for a r. At the last minute there is a mad scramble and someone usually gets left out. I have my room and look forward to being there. Hope everyone who was there last year will plan to be there in 87. Many signed my get well card and there were a few calls that I didn't know. Some that I did know but have not worked you in a long time. Those cards were great. It was so thoughtful of some to take the time to shop, get them signed and in the mail. Everyone of you is super and so appreciated by me.

In the Net guide there are some mistakes but it is not the fault of Bob. It is up to you to let him know if there is a mistake or if you plan to change anything in your chapter. Bob came make the guide only as good as you let him. The same is true of the lovely certificate guide put out by Jim Beswick/W4YHF. You need to let him know if you are offering a certificate and if you make any changes. Why not order your certificate Guide from Jim Rt. 5 Box 77B, Ellijay, Ga, 30540. Jim also puts out a monthly update which is quite nice to have. Write Jim including postage for him to answer you for more info about the guide. It is a must if you collect certificates. It will also assure you that your information is getting out as you intended. I know that at times Jim has a problem with his fingers as I do mine and they don't strike the key intended. A different meaning is given but it can soon be corrected before too much damage is done.

From the desk of the editor
Jim, W6PGM #10

Since this is my last issue as editor of the 10-10 NEWS, I thought I would adorn the front cover with a picture of my good friend Duncan McDonell, K6LHA #114, who was one of the founding members of the 10-10 Net. Duncan and his XYL Joanne, WA6QKC #14, who was the first Secretary of 10-10, were totally involved in the initial idea and formation of our organization along with Irv Hunter, K6PWO #97 who actually conceived the idea and was the first President.

I take this opportunity to thank each and everyone of you who contributed to the News and all of you who have been so cooperative and helpful to me. There are too many for me to name individually but you surely know who you are. As one might guess, I meet this occasion with mixed emotions; one of sadness and one of relief. It has been quite a challenge and I might add, will be part of my life which I will look back upon with fond memories. Thank you for the opportunity to serve 10-10 and may God bless each and every one of you.

My very best wishes to the new editor and please send all NEWS material to: Joseph F. Williams, WA9TSG; P.O. Box 93181, Milwaukee, WI 53203. (See page 2)
