### MESSAGE FROM THE PRESIDENT 10-10 INTERNATIONAL NET, INC.

August 8, 1976: The 10-10 Summer QSO Party is going great and I'm caught up in the excitement preparing this message for publication. The band openings are fabulous with most contacts centered around 28.6+.05mhz. Grace K5MRU our Contest Manager expresses concern (via WA6MOF) that we are not spreading out. Let's activate our full allocation 28 to 29.7mhz and demonstrate to the FCC that we deserve to keep it all.

The activity of the Colorado Ten-Ten Chapter at the ARRL National Convention in Denver July 16-18, 1976 was a sensational success! The attendance at the 10-X Forum was the largest gathering of members yet for the 10-10 Net. It was indeed an honor to share the podium with Grace K5MRU, Rollie WØLST, Chuck WAØYNQ, and Rich WBØFQD Chapter Head, who conducted the proceedings in a most professional manner. I would like to encourage the Chapter Heads to follow his fine example with full support from HQ. Bert W6CL #17762 deserves a special commendation for creating the handsome Colorado Ten-Ten Chapter banner displayed prominently in the 10-X booth. It certainly attracted favorable attention from all the conventioners. It was a very memorable occasion especially for me when NCØARL QSY'd to 28.8mhz at 1800Z Sat. July 17th to participate in the roll call of the So. Calif. Chapter with Joe K6CQN as net control and Mary WA6MOF as alternate. Again my sincere thanks to Rich WBØFQD and to the members of the Colorado Ten-Ten Chapter whose diligent effort and sincere hospitality contributed so much to the success of this most significant event in the history of the 10-10 Net.

The bicentennial issue of the 10-X Chapter News is reprinted as a special tribute to the Editor Chuck WAØYNQ. The first page of the June, July, Aug. Newsletters of the International 500 is also reprinted as a special tribute to the Editor, Frank W4JO. Frank also serves as our Awards Manager. He sported a handsome beard-too busy checking qualifying lists, but finally took time out for a shave in July. (continued on page 3)

EDITORIAL: Next year (1977) someone else, (hopefully WAØYNQ) will be writing this quarterly editorial! I appreciate the cooperation of the various members who have helped me and supported the publication of the Bulletins. Last year, when I was occupied full time in straightening out the growing membership records, the net was fortunate in having the president (W6EHM) do most of the work involved in the publication of the Bulletin. (Thank you Morrie). Since we now have an excellently qualified editor of the 10-X Chapter News (WAØYNQ), I and thousands of other members would appreciate it if Chuck would accept the appointment as editor of the quarterly 10-10 Bulletin as of January 1977.

As you probably have observed, during the growth of the net, I have strongly supported the international function of the net, ever since our past president K6PWO (now a silent key) first suggested the formation of local chapters all over the world. His dream has come true and we are now truly an international net. All that remains to be done now, is to distribute the duties and the rights of the individual members in all areas to participate in net decisions. Fortunately our president W6EHM has picked up the ball in that respect as well as many other matters beneficial to the net. We have taken steps to comply with all the requests reflected in the questionnaire, except the ARRL affiliation, which cannot be handled on a national or international basis. Chapters are invited to affiliate individually and some chapters have already done so. The officers of the net have initiated a HUMANITARIAN AWARD, and the president is inviting Chapter Heads and members to submit to him any such recommendations. He will then present them for approval at the meetings. Please remember-certificates of proficiency and other awards are fine, but the highest award of all is for humanitarian service to fellow man, especially if handicapped. 73, Hans WB6YYI #181

## Message from the President (continued from page 1):

Please keep this special souvenir Bulletin as a ready reference for 10-10 Net information. The roster supplement attached now replaces those in previous issues and brings the May 1975 Roster (listing 10,000 members+) up to date. We plan to publish a complete new edition of the roster by Jan. 1977, when the inventory of May 1975 Rosters should be low. To avoid annoying delays, please note the QTH of your DX or U.S. District (call area) Manager for renewals and pass the correct QTH on to prospective members. This Bulletin will be mailed to members on our mailing list with an expiration date of Jan. 1, 1976 or later. Should we achieve our goal of a Bulletin each quarter, then the bylaws will be invoked. "Members in arrears of dues in excess of three months shall be dropped from the mailing list." As a reminder, your expiration date will be imprinted on the mailing label (e.g. 0577=May 31, 77).

I am indebted to Fran Levy W6MXT #296 our Recording Secretary for the extracts from the minutes of our recent meetings. Morrie Goldman W6EHM 4189 Pres.  
21513 Marjorie Av Torrance, CA 90503

April 25, 1976: Ray Meyers W6MLZ #94 columnist for the Los Angeles Herald Examiner, "Ham-on-Air" was our honored guest and featured speaker. Jim WB6OJN has his antenna back in operation and will again be our net control on Tuesdays 1800Z and will try CW on 28.120mhz. Joanne WA6QKC and OM Duncan K6LHA founders of the 10-10 Net were also honored guests. Their original certificates were issued without 10-10 numbers. It was unanimously resolved that our Gen. Mgr W6LRY issue low 10-10 numbers to WA6QKC and K6LHA.

June 17, 1976: Extra-ordinary meeting at K6CQN's QTH-Hans WB6YYI presented the compilation of the ballots received in response to the Spring 1976 questionnaire for discussion. The Bylaws Revision Committee was appointed to study the returns and make appropriate recommendations. Mary WA6MOF is to assess the impact of deleting "of Southern Calif" from the name of our organization. Hans WB6YYI suggested that a humanitarian award be created and issued to Bob Holmes WA6NOP #5771 for his devoted service to Jim Elder WA6NOG #5842 (now a SK) during Jim's disabling hospitalization.

August 1, 1976: Unanimous approval to issue the first Humanitarian Award to Bob WA6NOP. Please notify the president of worthy candidates to receive this special award. More discussion on the results of the questionnaire. The Bylaws Revision Committee requires more time for further study prior to making recommendations for implementation. Vote was in favor of changing the name to "10-10 Int. Net, Inc." Nominating Committee was appointed-WA6MOF, K5MRU, WB6YYI, WAØYNQ. Elections to be held at the Quarterly Meeting Oct. 17, 1976 and installation of officers in January 1977.

### DX MANAGERS

VK/ZL George W. Currie ZL1ARO R. D. 1, Ngatea, New Zealand Box 57

All other call areas:

Claude Martin W6LRY 3603 Syracuse Baldwin Park, Calif 91706

Prospective Members: On 10 meters, contact 10 present members (DX-5), logging Date, Time, Call, Ten-Ten number, Handle, City, State (DX-country). Send this list to your District or DX Manager along with \$2 for dues and \$1 for a Roster. You will receive a Certificate and will be assigned a Ten-Ten number that belongs to you personally for life.

How To Operate 10-10, Exchange Numbers and Get Awards: First become a member and use your Roster. Log all 10-10 contacts as noted above. Circle the Call in your Roster. This will avoid duplicates. Keep a running account of the total 10-10 numbers at the top of each log sheet. When you have a total of 100 (including the first 10 allowed for membership) immediately apply for your first Bar Award. You should check mark the 10-10 numbers in your complete roster to avoid repeat reporting. We allow the 10 initial contacts but all others counted shall be bona-fide NUMBER EXCHANGES as in a "full friendship handshake." List all information as required for membership (do not send log books). Send your list to our Awards Manager Frank Orcutt W4JO 2752 S.W. 3rd St Miami, Fla 33135. Identify your call and 10-10 number, and state the Bar you are requesting each time. There are Bars for each 100. There are special Plaques for 1000, 2500, and 5000. QSL cards are only required for WAS 10-10. IMPORTANT: Send in each 100 immediately (no extras and never less than 100). Forget about those early uncounted "one-way" contacts as our Awards are for Bona Fide Number Exchanges; one point only allowed for each number exchanged.

Ten-Ten Chapters: More than 100 Nets throughout the World are now in operation and have weekly on-the-air meetings. Many Chapter Nets issue unique certificates which you may earn by participation in their activities. Many of these have serial numbers and are self propagating, so that you can start your own activities. If you wish to organize a local chapter, please drop a line to our Net Coordinator George Elliott W6ENC.

Renewals: To renew your membership, send \$2 with your old Membership Card to your U.S. District or DX Manager. We must have your call letters, 10-10 Number and date of expiration. If your dues are more than six months in arrears you can be reinstated for the \$1 fee (for a Roster in return). Add \$2 (total \$3) for a full years dues. Your District or DX Manager has Rosters available (\$1) and 10-X Stamps (100 for \$1) so state what any extra money is for. Make all checks payable to: "10-10 Net, Inc."

Data obtained hourly from WWV, 5/10/15 MHz, 14 mins after each hour.

BAND CONDITIONS: Fabulous! We are snowed with requests for Bar Awards. Some report, "Just like old times". We had a Northpole Aurora May 3 with a peak G<sub>a</sub> of 56, preceded by 37 and followed by 20. This makes four polarcap auroras this year. During the years 1645 to 1715 not one single aurora was observed. During this 70 year period sunspots were not observed, though many were seen before & after this period.

SOLAR ROTATION: A new paper discussing the 27-day period of Sunspot reappearance on the surface of the sun should prove provocative. We hope this does not disappoint our faithful sun worshippers.

27-DAY SOLAR CALENDAR: Presented as an experimental chart for study throughout the year. We plan to update this sometime in 1977. Our plan is to plot only the geomagnetic activity and resulting auroras. Suggest you use different color pencils to plot "good days", other valuable information, so we can compare notes later.

RECOMMENDED READING: Chris, WB5IHC, VR-133, suggests we get a copy of "The Jupiter Effect" for good reading. This book's main interest earthquakes and their triggers, such as how solar flares and cosmic rays affect earth spin. A reason for the 11 year cycle. The 1982 peak approaching, as related to a peak that occurred 179 years ago. This is a paperback, published by Vintage. Authors are J.R. Gribbin and S.H. Flanagan, both Astro Physicists.

ANNOUNCEMENT: Double Event, Our Annual 4th Party and Our Nations Birthday Party on July 4th 1976. No help is promised from Old Sol. Solar Flux downhill and a quiet Geomagnetic field, but we promise a Huge Cosmic Ray event from outer space to help us celebrate. You too can help warm the ether, we need you. Make 4 contacts, VP members; with certificates to new members, gold bars "JULY 4 1976" to vets.

NEW MEMBERS: Welcome aboard 10 New Members; Robert K6CSE VR-272,  
 Don - W6MJP VR-273      Wally W5KWH VR-274      Chas - W4ERM VR-275,

 Data obtained hourly from WWV, 5/10/15 mHz, 14 mins after each hour.

BAND CONDITIONS: For the past 45 days have been fabulous! We have processed 165 bar awards, rejected 10, and have 43 applications too "slow" to process in these busy times. This is the greatest activity in the history of the 10/X Net and with no apparent help from Old Sol and only a slight hint of let up. Look for good conditions to prevail in the month of July, especially the last two weeks, for sure.

COSMIC RAY RADIATION: A new paper discussing Cosmic-rays from outer space with their possible effects on propagation. This may prove especially interesting during this period of the quiet sun.

1975 SOLAR CALENDAR: Hind-sight is always better than fore-sight!! This is designed to show the dates of 4 auroras (A) with geomagnetic activity index over 40, plus lesser values (o), plus values at least 20 or over (•) We hope you will plot your own good operating days.

WEATHER RADIO: Realistic FM miniature solid-state weather rec'vr uses 9 transistors, 4 diodes, tunes 162.55 to 162.40 mHz, operates from mini-9v battery. 24-hr WX at your fingure tip. Radio Shack 181

W6EWO SK: It is with deep regret we record the passing of Joseph G. Di Carlo, pioneer member, VR-12 (10/X 417) of Sun Valley, Cal. Joe retired in 1964. Started as W2FDL in 1933, Brooklyn, NY, was Radio Aide, War Emergency Radio Service (WMUI) Irvington, NJ during WW-2 Pace University graduate Accountant, was active in QCWA affairs and earned his 1000 Plaque in 1974. Joe ran a Viking II in the early AM days and later the KWM-1 was always in there when the band was open.

**ANNOUNCEMENT:** Second Annual Summer Ten-Ten Net Contest is scheduled August 7 - 8, 1976, first week-end, International GMT time. Note new point system carefully. Send logs to K5MRU, P.O.Box 13, Rand - Colorado, 80473. Remember, with 10,000 strong, we can make our own Heaviside Layer, so don't wait for the other fellow to initiate the contact... grab a fresh frequency, call like mad, we need you. (Tx W4JO, for rushing the mailing to VP's before the Contest started)

**JULY 4th PARTY** Was a huge success, as expected, with over 100 entries. This warrants a special certificate befitting the Bicentennial occasion. Please have patience, we were called out-of-town unexpectedly for ten days, so we are running behind schedule.

**JULY ACTIVITY** Has been only slightly behind June, with 33 States requesting Bars in a 10-day period following July 4th 1976. States NOT reporting are; Alaska, Ark, Del, Hawaii, Idaho, Maine, Montana, Neb, Nev, New Hamp, Rhode Island, S. Dak, Utah, Vt, Va, W.Va, Wyom. Rare States are indicated by not resorting to abbreviation, of name.

**NEW MEMBERS:** Welcome these new Members;

**VP-100 APPLICATIONS** Must state that each VP contact listed in the application was made in the "VP Region" between 28.500 and 28.550 and that the contact was for a duration of at least "Five Minutes" Many applications are being delayed for this certification, despite rumors to the contrary.

**10/X BAR APPLICATIONS** Are now coming through nicely in a numerical order of the 10/X number.\*These can be processed in a tenth of the time required to scan chronological logs, and reveal fewer mistakes and no duplications. Our Master File of your 10/X Numbers are in a numerical order, color coded by bar, and are very convenient for an "audit check", duplicate check, and instantaneous cross references, of the "other fellow" who is claiming your 10/X number. Send only 100, keep the postage light, and wait for it's return for service.

\* (advise potential 10-10 members to do the same-Tx W6EHM & WA7DCO)

**PROPAGATION REPORT:** Solar Flux and Geomagnetic levels were too low to be of much interest for study so have been deleted this month. A good show is predicted for Aug 7-8 weekend contest. Our propagation reports come by mail weekly, and by radio hourly at the 14 minutes, after each hour from WWV, Boulder Colorado. This service will be completely eliminated by the U. S. Govt after October 1st 1976. It has been under long debate for lack of funds, and lack of use. We may still save it. A Bi-Monthly Report of and for The 10-X Chapter Heads  
Published by the

10-X INTERNATIONAL NET OF SOUTHERN CALIFORNIA

VOL 1 - NR 3

DENVER, COLORADO

JULY 1976

### NCØARL AWARDED SPECIAL 10-X NUMBER:

The ARRL 1976 National Convention Station, NCØARL has been awarded the special 10-X number 1776/Ø for use from the Hilton in Denver, Colorado during the convention July 16th, 17th and 18th 1976. This was confirmed in a letter from 10-X President; Morrie-W6EHM & Ø-Land Manager; Rollie-WØLST. This was followed quickly by the award of Centennial number 1776 by the Colorado Ten-Ten Chapter. A letter from the Minnesota Sky Blue Waters Chapter brought S.B.W. number 76 awarded to the convention station. Last, but not least, welcome news from Tony-WB8RIB that CATT number 1776 is also awarded to NCØARL. As you can see contacts with this station in mid July will be great for certificate hunters in 10-X.

### INTERNATIONAL RADIO CLUB AWARDED SPECIAL 10-X NUMBER:

10-X Headquarters has announced that the International Radio Club Station in Geneva, Switzerland, 4U1ITU has been awarded 10-X 11111. A letter of thanks was received by 10-X Genral Manager, Claude-W6LRY, from the President of IARC, Richard C Kirby, WØLCT/4U1.

### SEARCH FOR OLDEST 10-X MEMBER:

Just who is our oldest 10-X member? A report from QCWY says it might be George Lovering - KØØQQ 10-X#2424 who is 93 years young. George was born June 10th, 1883 and got his first call, 9APV, in April 1922. Does anyone want to challenge George for the title of Senior Active Member of 10-X?

### 10-X GETS WRITE-UP IN CALIFORNIA NEWSPAPER:

Clippings from 10-X President; Morrie-W6EHM, show that 10-X is getting exposure in the Los Angeles area in the Herald-Examiner thanks to Ray-W6MLZ and his regular Column "Ham On Air".

## EDITORIAL

I WOULD LIKE TO THANK THOSE CHAPTER HEADS OF CHAPTERS THAT HAVE BEEN LISTED IN "CHAPTER CHATTER" SINCE THIS NEWSLETTER STARTED. YOUR REGULAR REPORTING TO THE 10-X NET CO-ORDINATOR, GEORGE-W6ENC, HAS HELPED MAKE THIS PUBLICATION A SUCCESS. HOWEVER, THE REPORTING CHAPTERS ARE ONLY 30% OF THE TOTAL CHAPTERS WITHIN 10-X INTERNATIONAL. SO HOW ABOUT IT OUT THERE IN RADIOLAND, LETS HAVE THE CHAPTER HEADS OF THE REMAINING 70% WRITE AND LET GEORGE KNOW WHAT IS HAPPENING IN YOUR CHAPTERS. REMEMBER, ANY NEWS IS STILL NEWS!

IT HAS BEEN SAID, "THERE IS STRENGTH IN NUMBERS", AND WE CERTAINLY HAVE THE NUMBERS WITHIN 10-X. SO I WONDER IF I COULD GET 10-X'RS EVERYWHERE TO START A LETTER WRITING CAMPAIGN TO THE MANUFACTURERS OF AMATEUR EQUIPMENT. TELL THEM YOU WOULD LIKE TO SEE A COMPACT 10 METER TRANSCEIVER THAT COULD BE USED IN THE CAR AND/OR HOME MUCH THE SAME AS A 2 METER RIG. MANY STATIONS I WORK ON 10 METERS REMARK THAT THEY WOULD DESIRE THIS KIND OF RIG. WITH OUR NUMBER STRENGTH NOW OVER THE

17th, 1976. Hans will present the compilation of answers and the actions taken as a consequence will be reported in the Summer 1976 Bulletin. My sincere appreciation to our many concerned members interested in the future of the 10-10 Net who took the time to reply.

We owe a deep debt of gratitude to Chuck-WA0YNQ Editor of the 10-X Chapter News. This publication is filling a sorely needed source of information to all our Chapter Heads. Chuck has really expended a great deal of thought and effort in improving each issue. I am sure you will want to retain your copy as a special bicentennial souvenir edition.

Again I wish to emphasize the importance of our Chapter Heads in keeping 10 meters active during the doldrums of cycle 20. Without your support I am sure the 10-10 Net would cease to exist. I am confident that we now can meet the challenge of an accelerated growth anticipated with cycle 21. With the completion of the computerization of our massive records, an expanding Chapter Head organization, and a staff of dedicated officers (all serving on a voluntary basis) our future growth and success is assured.

# K5MRU / - GRACE

MS. 10 - X  
OF 1976

Anyone who has been on 10 meters for any length of time has heard or worked Grace-K5MRU. She has certainly earned the title of "Ms 10-X of 1976". Grace holds the low 10-X number of 218 and the 500 Club VP number 1. She is a Vice President of 10-X International as well as the Manager for 5-Land. She is Co-Chapter Head for the Rio Grande Chapter in South Texas. Grace is also President of the coveted 500 Club of 10-X'ers.

I recently had the pleasure of visiting at Her Summer QTH in Rand, Colorado, and found Grace and Her OM, George-K5MRT, very hospitable indeed. During the visit she proudly displayed Her 4100 Bar and a list of 500 additional 10-X numbers She is preparing to send away to W4JO for the 4600 Bar. Hats off to you, Grace, our first Lady of 10-X.

Grace-K5MRU and George-K5MRT at their portable-QTH in Rand, Colorado.

## NET CO-ORDINATOR

George-W6ENC 1774 We have had correspondence from members in various places requesting information on the formation of a new Chapter. These requests are certainly welcome. One district manager forwarded two such requests with his own comments. Most of the requests come from individual members. One request was via amateur radio-gram. The requests have been or will be answered and the information supplied. When requesting information on the formation of a Chapter, list the time & frequency to be used, the day(s) of the callup and the 10-X number as well as the callsign, name & address. Whenever a request for information is received it is our policy to notify any other Chapter in the same or nearby city of the request. This is done so the new & existing Chapter can work together, & both will benefit. There are a number of Chapter Heads that have not sent a report in some time. This is especially true of the DX Chapters. We are sure that the member exists as the mailings are not returned. It would be helpful if the Chapter Heads reported once in a while. Drop us a card; we want to hear from you. Our thanks to Bud-WA6MQA who has spent a great deal of time making the list of certificates & Chapter Nets. Chapter Heads are doing an excellent job & deserve lots of credit. Everyone using 10 meters benefits from the Chapters & their NCS's that keep the band active.

## SOUTHERN NEW ENGLAND NUTMEG

Chapter of 10-X International Net

(Chapter Head: Fred-WalHMC,  
10-X#384)

Hats off to the Nutmegs for coming out on top as the winning Chapter in the Winter QSO Party-1976 with 6,399 QSO's and the fantastic score of 14,758 points. It looks like those Nuts are not really nuts, HI HI.

CINCINNATI AREA TEN TUNERS CHAPTER (Chapter Head: Del-WB8EDG  
10-X#2978)

Congratulations to the CATTS for coming in second for the Winter QSO Party-1976 with the score of 3,390 QSO's and 7,640 points. Boy that's really the Cat's Meow!

CYPRESS CHAPTER (Chapter Head: Dex - K4TSY 10-X#8427)

Their Cypress Award is now being issued and is being received very nicely. The art work was done by a student from Florida Tech University. Local members of this Chapter live as far apart as 95 miles.

NOVA SCOTIA CHAPTER (Chapter Head: Dick - VE1AHW 10-X#135)

Reporting very poor conditions in their area with every one waiting for the upswing of the sun-spot cycle.

BLUEBONNET CHAPTER (Chapter Head: Robert-WA5JDU 10-X 3017)

A brand new chapter formed in the San Antonio and named after the State Flower of Texas. The Chapter Head is well known in 10-X circles with well over 3000 10-X numbers collected. Certificate Manager is John-WB5GUV.

MO-KANTENNERS CHAPTER (Chapter Head: Steve - WBØLFY 10-X#9581)

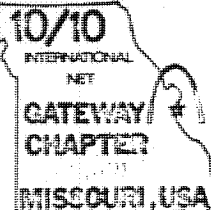

Another brand new Chapter, this one in the Kansas City, Mo-Kans area hence the name "Mo-Kan". They have eight charter members and will be issuing a certificate.

WET-TEN CHAPTER (Chapter Head: Shaun - WB2STZ)

Still another brand new Chapter formed in the Eastern New York area.

DOWN UNDER CHAPTER (Chapter Head: George - ZL1ARO, 10-X #774)

This chapter reporting 51 members with a net meeting every Sunday at 0800Z on 28.6mc. There is always someone monitoring this frequency. They report that there has been good back-scatter during Summer months and openings into North, Central and South America as well as the Pacific area. Chapter Head George also reports that He has recorded 846 10-X numbers in His log and needs South Dakota for WAS 10-X.

### GATEWAY CHAPTER (Chapter Head: Jim-W00QHY 10-X# 2955)

This Chapter now has 103 members and still growing & going strong. Hal-K0AFC, in coordination with the Chapter Officers, has initiated action to form an RFI Group. They will try to render assistance in RFI problems. Certificate Manager, Norm-WB0CCF, reports over 214 Gateway Awards issued. On the evening of March 31st the Chapter held it's 200th weekly net.

For this occasion the founder & first Chapter Head, Don-WB0ECM, checked in & conducted the net for the first period. For the first quarter of 1976 the Gateway Net has been averaging 25 check-ins with the highest of 35 on January 7th, 1976.

### COLORADO TEN-TEN CHAPTER CENTENNIAL

Chapter Head: Rich-WB0FQD  
10-X# 10488

On the 12th of July, 1976, this Chapter will be only one year old. The net meets three nights a week and has been averaging 15 check-ins per net. We are very pleased that the Centennial Award is in great demand on 10 meters. We have issued over 300 Centennials, 100 Senior Centennials, 6 Century Bars, over 60 Black-jacks, 20 Top Fortys and 7 Fifty-Grand on Ten Awards. Our Chapter will be operating NC0ARL on 28.625mc at the ARRL National Convention (Ed's Note: information on this in lead story, page-1). We are hoping for a good turn-out for some fine eyeball QSO's at our 10-X Hospitality room 2125 at the Hilton Hotel. The 10-X Forum is scheduled for 0900 hours on Sat, 17th July. After the excitement of the convention has passed, plans are being made for a Chapter Picnic and elections for the coming year. Happy to announce that 10-X President, Morrie-W6EHM, has been awarded Centennial 300 and the 10-X Treasurer, Mary-WA6MOF, has earned Centennial 197.

### CHIEF SEATTLE CHAPTER: (Chapter Head: Carl-W7HUL, 10-X #6857)

Last issue it was reported that this chapter was issuing a "Totem Award". This is incorrect. It is called the "100 Trophy" and looks like a totem pole. Regular check-ins coming from 40 miles to the South, 35 miles to the Southwest, 42 miles to the North and 70 miles to the Northwest. Over 350 Chief Seattle Awards have been issued.

**MINNESOTA SKY BLUE WATERS CHAPTER:** (Chapter Head: Bill-WB0FKR, 10-X 8056)  
With the Chapter Head attaining 500 Club membership with VP-263, it brings to a total of eight members with VP's. WB0NHD led the Chapter in the recent LIARS Contest.

**THUNDERBIRD CHAPTER** (Chapter Head: Ed-WA7DCO 10-X#1435)  
Reporting very little skip coming in during the first quarter of 1976. The net has been averaging nineteen check-ins plus sixty-two visiting stations for the entire period.

### ORANGE JUICE CHAPTER (Chapter Head: Fitz-WA4GXF 10-X 9817)

The Chief Squeezer reports the OJ's have been in operation for two years with a membership of 425 covering 38 states & 7 foreign countries.

### GOLD DUST CHAPTER (Chapter Head: Henry-VE5SM 10-X 624)

This chapter is located way up in Saskatoon, Saskatchewan. They report very few band openings to the US. Chapter Head Henry plans to take a trip to California in July after returning from England. So watch for him on 10 meter mobile.

### CINCINNATI AREA TEN TUNERS (Chapter Head: Del-WB8EDG 10-X 2978)

The CATTs have signed up 39 students for the Chapter's first code & theory class which was started last month. The Chief CATT reports over 500 CATT Awards, 58 Top CATTs, and 6 Super CATTs have been issued.

### LAND-O-LINCOLN CHAPTER (Chapter Head: Del-W9BPU 10-X 4700)

The use of 10 meters in the Bloomington, Ill area has been greatly influenced by this Chapter. Out of their total of 27 charter members, 21 obtained their 10-X #'s in the last year. The Chapter meets socially the first Saturday each month at a local restaurant for an eyeball breakfast & supper meetings are also being planned.

### 10-X NET SUMMER QSO PARTY:

As we go to press with the Summer 10-X Bulletin, reports of openings during the Summer QSO Party are fabulous! A reminder-add the name of your Chapter in your log to receive credit for Chapter scores. Send logs to Grace K5MRU/9, Box 13, Rand, Colorado 80473. Logs must be postmarked not later than Sept 30, 1976.

### FIRST AND SECOND 10-X LIFETIME MEMBERS ELECTED:

10-X President, Morrie-W6EHM, announced that Ed Tilton-W1HDQ and Grace Dunlap-K5MRU have been elected as 10-X Lifetime Members First and Second respectively. Ed's appointment is in recognition for his outstanding contributions to the Amateur Radio Service. Grace's appointment is for her dilligent effort in stimulating ten meter activity as Contest Manager and Manager for the fifth district.

Now remember, it's one if  
by land...two if by sea...  
and three if ten meters opens !

Yes, Mr.  
REVERE !

**NEWS FLASH: ILLEGAL STATION  
OPERATING IN DENVER.**  
Local hams in Denver have  
uncovered "Larry" using the  
call WBØJET on all bands &  
the call belongs to a YL in  
Missouri (Tech Class). This  
station has been heard on 10  
meters.

'Freedom's way — U.S.A.'

Quarterly report of the Net Co-ordinator. August 1, 1976.

Officers and Members of the Ten Ten International Net of So. Calif. Inc.

The report of the Net Co-ordinator for this quarter is much brighter than those in the past. More Chapters have reported and more Chapter Heads or Secretaries report increased activity on the band. Many Chapters have increased their membership and the number of check-ins at each session. There are some Chapters in States that have few members but report many out of State check-ins. This means that the ten meter band is improving and skip conditions are better.

The applications from members wishing to start new Chapters has increased. Some of the new Chapters are as follows. The Tamale Chapter in Albuquerque, New Mexico, W5MRP Phyllis Clabaugh is the Chapter Head. The Chapter has a certificate. W5JZE was the Chapter Head but resigned due to health problems. The White Hous Chapter in Fairfax City, Virginia, WB4NWG Roland Spooner is the Chapter Head. The Wet Ten Chapter in Scarsdale, N.Y. WB2STZ Shaun Breidbart is the Chapter Head. The Chapter has a certificate. The City of Roses Chapter in Portland, Oregon, WA7WEA Frank Richard is the Chapter Head. The Chapter has a certificate in three parts depending on the number of contacts. Other applications that have been received but have not sent the name of the Chapter Head are, VE3AHN Jim Fathers in Ottawa, Ontario. The name of the Chapter will be The Ottawa Valley Chapter. Others that have made application but who have not sent the required information are from Lindsay, California, Tampa, Florida Reading, Pennsylvania. VP9HE Al. Lightbourne in Hamilton, Bermuda has been invited to start a Chapter in Bermuda.

There are more Chapters that are having "Eye-ball" get togethers. Some are planning monthly meetings while others have an annual picnic. The Gateway Chapter had a picnic and auction. The report is that they had a "ball". The get togethers range from "Pot Luck" dinners to breakfasts. The Chapter Head reports indicate that the person to person meetings are very good and many new ideas are the result.

The membership is growing but unfortunately there are a lot of members that are now "Silent Keys". The list grows each month. The members number and call sign are reported to Lee Pasewalk WB6MQM as they are received.

There were 415 logs received, with chapter competition accounting for most of them, I'm sure, which is great. Nutmeg Chapter did it again! Congratulations to the Nuts and also to the CATTS. Know they'll be "trying harder" next time.

The Summer QSO Party **was** held August 7-8, a little late, but we felt there might be many bi-centennial activities in July taking members away from their rigs. Rules **were** the same as for past contests, with the exception of the scoring. There have been complaints about the extra point for out-of-state contacts, especially as it affects the chapter scores. It is felt that chapters near state lines have an added advantage. So the scoring from now on will be: 1 point for each contact; 1 point if with a 10X member (maximum: 2 points for any contact). Hope this will make everyone a little happier.

Please do not send an s.a.s.e. for copy of the results, as my typewriter just won't make that many copies. With the new bi-monthly 10X Chapter News, the results should reach chapter heads about a month after the scores have been tabulated, and will, of course, always be included in the Bulletin.

Our congratulations to all the winners. Your certificates have been mailed. Hope we'll all meet again on TEN during the next contest. Good luck.
